New in Fall 2010!

ELI Continuing Education offers *intensive English language study* at five proficiency levels.

Full-time enrollment at a level (18 hours) is structured to meet International Student (F-1 visa) registration requirements for English language study for students not pursuing a college degree or certificate.

Immigrants and citizens who do not want to earn a college degree or certificate may enroll in one or more courses.

Please note that Financial Aid is not available for these courses.
