

Tuition Payment Plan Process

BCCC has partnered with TouchNet to offer a deferred tuition payment plan for students. The payment plan is offered only for the Spring, Summer, and Fall semesters. Early enrolling in a deferred payment plan early will afford you with lower monthly payments and more payment options. Your charges must total more than \$100.00 to enroll in a payment plan.

There is a \$50.00 application fee each semester when setting up your payment plan and an additional \$25.00 charge for payments reported as insufficient funds.

To set up a Deferred Payment Plan:

1. Register for classes;
2. Click on this link: [Tuition Deferment Payment Plan](#);
3. Input your user ID and password;
4. Select Payment Plans located at the top of the page;
5. Click Enroll Now;
6. Select a term, then click the Select button; and
7. Click the Select button beside the available plan.

****Workforce students must select plans containing the word “Workforce” in the titles****

Thinking about adding textbooks to your payment plan, here’s how!

Students can now add their textbooks to their payment plan if needed. Students must submit the BCCC Bookstore Charge Authorization form to have textbooks added to their payment. Please visit the BCCC Office of Student Account site to complete the BCCC Bookstore Charge Authorization form. Bookstore accounts will be open for the total amount the student indicates on the BCCC Bookstore Charge Authorization form within 48 hours. Click on this link:
