

DENTAL HYGIENE

BCCC

Baltimore City Community College

Accredited by the Commission
on Dental Accreditation
of the American Dental
Association.

The Dental Hygiene program

is a two-year, 70 credit Associate of Applied Science (AAS) degree program. In the final semester, students become eligible for the National Board Examinations and the Northeast Regional Board Examinations. Both exams are required for licensure.

Working under the supervision of a licensed dentist, dental hygienists:

- Remove stains and deposits and apply preventive agents to teeth
- Perform non-surgical periodontal therapy
- Take X-rays
- Take medical and dental histories

Endless Career Options

Students in the Dental Hygiene Degree Program gain patient care experience at BCCC's on-site Dental Hygiene Clinic as well as with external health care agencies.
