RE: Articulation Agreement between Baltimore City Community College and
Coppin State University

Please find enclosed the one signed copy of the Articulation Agreement between
Baltimore City Community College and Coppin State University

Articulation Agreement
Between
Baltimore City Community College
And
Coppin State University

This Articulation Agreement ("Agreement") is made by and between Baltimore City Community College, 2901 Liberty Heights Avenue Baltimore, MD 21215 and Coppin State University, 2500 W. North Avenue Baltimore, MD 21216.

WHEREAS Baltimore City Community College and Coppin State University recognize the need and importance of facilitating the transfer of students from Baltimore City Community College to Coppin State University as these students pursue their educational goals, and

WHEREAS Baltimore City Community College and Coppin State University recognize that to enhance this transition, a formal Articulation Agreement between Baltimore City Community College and Coppin State University should be established, and

WHEREAS Baltimore City Community College and Coppin State University have conducted a thorough review of the curricula at Baltimore City Community College and Coppin State University in **Elementary Education (1-6), and Special Education (1-8)**.

Now, **THEREFORE**, in consideration of the mutual promises and conditions herein, the adequacy of which is hereby acknowledged, Baltimore City Community College and Coppin State University hereby agree as follows:

1. The program is designed for graduates of the Associate of Applied Science Degree (AAT) in Teacher Education, **Elementary Education/Special Education and the Associate of Arts (AA) in Teacher Education Transfer Degree** to Bachelor of Science in **Elementary Education, and Special Education**. A maximum of 60 credit hours from Baltimore City Community College (BCCC) will be allowed toward fulfillment of Baccalaureate completion.
2. All course credits as delineated in the attached articulation plan will be accepted as transfer to fulfill Coppin State University requirements for the Bachelor of Science Degrees. Only courses in which the student earns a grade of "C" or better are eligible for transfer.
3. Students must maintain a 2.5 cumulative grade point average in order to transfer.
4. Credits earned from non-direct classroom instruction (including CLEP, AP, and other nationally recognized standardized examination scores) are included in the maximum of 60 credits that will be accepted by Coppin State University, and students must submit original test scores/results to Coppin State University. Coppin will also accept BCCC Tech Prep transcribed credits where student received a grade of "B" or better. These courses are also included in the maximum 60 transfer credits.
5. Students intending to transfer should complete the admission application for Coppin State University following the third semester of their Associate Degree program. Students should contact the Financial Aid Office at Coppin State University as soon as possible with regard to college deadlines for financial aid. BCCC students indicating they are Associate Degree seeking will have their Coppin application fee waived.
6. Baltimore City Community College and Coppin State University do not presently have a dual enrollment program, but should one be agreed to, this agreement will not preclude students from participation; and students may apply for and receive the benefits of dual enrollment. Those students would be subject to the policies of said program should they apply.
7. Baltimore City Community College students who have completed the Associate of Applied Science Degree will be given every consideration for financial assistance and will be eligible to compete for academic scholarships at Coppin State University. Students transferring from BCCC to Coppin may be eligible for the Maryland Community College Transfer Scholarships offered by Coppin.

8. Baltimore City Community College and Coppin State University further agree to monitor the performance of this agreement and revise it as necessary.
9. Appointed institutional representatives at Baltimore City Community College and Coppin State University will ensure that appropriate personnel in their respective institutions are aware of this agreement, including the Admissions and Advising staffs, Transfer Coordinators, appropriate Faculty, Deans, Provosts and Vice Presidents.
10. Students who begin their studies at Baltimore City Community College will be given the same access with regards to awards and distribution of financial aid; campus housing; course selection, registration and all other student services as students who began their studies at Coppin State University.
11. Baltimore City Community College and Coppin State University agree to publicize this Agreement. Baltimore City Community College will distribute information regarding this Articulation Agreement to Baltimore City Community College students who are interested in pursuing majors in **Elementary Education** and **Special Education**.
12. Baltimore City Community College and Coppin State University will conduct a review/revision of the procedures and contract every 5 years, and it will be resigned.

This agreement becomes effective upon signatures by all parties and shall continue in effect unless voided by either party upon sixty (60) days prior written notice. Baltimore City Community College and Coppin State University will consider, in good faith, any amendments proposed by either party; however, the Agreement may only be amended in writing, signed by both parties. The agreement may be terminated by either party for due cause and after adequate notice to the other.

If termination of this agreement occurs, students who have been accepted to Coppin State University to pursue the Bachelor of Science Degree in **Elementary Education** and in Special Education will be allowed to articulate credits pursuant to this Agreement for a period of up to two years following termination of the agreement.

IN WITNESS WHEREOF the parties hereto have executed this Agreement in duplicate this _____

Day of _____, _____.
