

Stevenson University Articulation Agreement

This Articulation Agreement ("Agreement") is made by and between [Baltimore City Community College](#), an agency of the State of Maryland and Stevenson University, 1525 Greenspring Valley Road, Stevenson, MD 21153.

WHEREAS [Baltimore City Community College](#) and Stevenson University recognize the need and importance of facilitating the transfer of students from [Baltimore City Community College](#) to Stevenson University as these students pursue their educational goals, and

WHEREAS [Baltimore City Community College](#) and Stevenson University recognize that to enhance this transition, a formal articulation agreement between [Baltimore City Community College](#) and Stevenson University should be established, and

WHEREAS [Baltimore City Community College](#) and Stevenson University have conducted a thorough review of the curricula at [Baltimore City Community College](#) and Stevenson University in following programs: [Fashion Design and Fashion Merchandising](#)

Now, **THEREFORE**, in consideration of the mutual promises and conditions herein, the adequacy of which is hereby acknowledged, [Baltimore City Community College](#) and Stevenson University hereby agree as follows:

The following general principles guide the operation of this agreement:

1. The attached transfer plans outline curricula for students in the following programs at Baltimore City Community College (BCCC) and Stevenson University (SU)
 - a. BCCC's Associate of Applied Science in Fashion Design to SU's BS in Fashion Design
 - b. BCCC's Associate of Applied Science in Fashion Design: Fashion Retailing Area of Concentration to SU's BS in Fashion Merchandising
2. Courses that fulfill program requirements are only eligible for transfer if students have earned a grade of "C" or better.
3. Students must maintain a (2.0) cumulative grade point average in order to transfer.
4. A maximum of 70 credits from 2-year colleges can be applied to degree requirements at Stevenson. No more than 90 credits can be applied to degree requirements from a combination of 2-year colleges, 4-year colleges, and non-direct classroom instruction (including CLEP, AP, and other nationally recognized standardized examination scores). Students are required to complete at least 30 credits at Stevenson to earn a degree.
5. For non-direct classroom instruction, an appropriate score is determined by Stevenson University, and student must submit original test scores/results to Stevenson University. Credit awarded for prior learning ("life experience") is not recognized by, and is not transferable to, Stevenson University.
6. Students intending to transfer should complete the admission application for Stevenson University following the third semester of their Associate Degree program. Students should contact the Financial Aid Office at Stevenson University as soon as possible in regard to college deadlines for financial aid.
7. While [Baltimore City Community College](#) and Stevenson University **do not** presently have a dual enrollment program should one be agreed to, this agreement will not preclude students from participation and students may apply for and receive the benefits of dual enrollment. Those students would then be subject to the policies of said program should they apply.
8. [Baltimore City Community College](#) students who have completed an associate's degree in the above named programs will be given every consideration for financial assistance and will be eligible to compete for academic scholarships at Stevenson.

9. [Baltimore City Community College](#) and Stevenson University further agree to monitor the performance of this agreement and to revise it as necessary.
10. Appointed [Baltimore City Community College](#) representatives at [Baltimore City Community College](#) and Stevenson University will insure that appropriate personnel in their respective Baltimore City Community College are aware of this agreement, including the admissions and advising staffs, transfer coordinator, and appropriate faculty and deans.
11. Students who begin their studies at [Baltimore City Community College](#) will be treated on an equal basis with students who began their studies at Stevenson University in regards to the award and distribution of financial aid, campus housing, course selection, registration and all other student services.
12. [Baltimore City Community College](#) and Stevenson University agree to publicize this agreement. [Baltimore City Community College](#) will distribute information regarding this articulation agreement to its students interested in pursuing a Bachelor's degree in Stevenson major.
13. [Baltimore City Community College](#) and Stevenson University will review the agreement every two years.

This agreement becomes effective upon signature by all parties and shall continue in effect unless voided by either party upon sixty (60) days prior written notice. [Baltimore City Community College](#) and Stevenson University will consider, in good faith, any amendments proposed by either party; however, the agreement may only be amended in writing, signed by both parties.

The agreement may be terminated by either party for due cause and after adequate notice to the other. Termination of the agreement will not affect any students currently enrolled at [Baltimore City Community College](#) in the above named programs at the time of termination, and they shall be able to transfer credits pursuant to this agreement.

Attachment: Transfer plans

IN WITNESS WHEREOF Duly authorized representatives of Stevenson University and [Baltimore City Community College](#) executed this agreement as of the dates given below

Susan Thompson Gorman, Ph.D.
Executive Vice President for Academic Affairs and Provost
Stevenson University

02/11/19

Date

James H. Johnson Jr., Ph.D. P.E.
Interim President
Baltimore City Community College

1/17/19

Date

Approved for Form and Content Policy

Date of next review: 12/1/2020

Transfer Plan
Community College: Baltimore City Community College
Program: Fashion Design

This transfer plan is intended for students pursuing AAS in Fashion Design at BCCC who are interested in pursuing a BS in Fashion Design at Stevenson University. The equivalencies below demonstrate how a student can meet both the requirements of the associate degree and prepare for a seamless transfer to Stevenson. Stevenson participates in reverse transfer should students transfer after completing 15 credits at BCCC but before completing the full associate's degree. Any student who enters Stevenson with an A.A. or A.S. degree will have completed all general education requirements. Please note:

- Only courses that have course equivalencies are displayed. This guide does not show all transferable courses from this college. It also does not display all Stevenson University courses that will fulfill a specific requirement.
- Program requirements must be completed with a grade of C or better, and general education courses must be passed with a grade of D or better.
- Stevenson University will accept up to 70 credits from 2-year institutions. Up to 90 credits can be applied to degree requirements from a combination of 2-year institutions, 4-year institutions, and non-direct classroom instruction (including CLEP, AP, and other nationally recognized standardized examination scores). For additional information about credit transfer, please see: <http://www.stevenson.edu/admissions-aid/getting-started/transfer-students/transfer-credit-evaluation/>
- For scholarship information please see the "Paying for College" page on: <http://www.stevenson.edu/admissions-aid/getting-started/transfer-students/>
- Transfer plans are intended to be used as planning tools. If you need additional assistance in selecting courses to take prior to transferring to Stevenson University, contact Stevenson Admissions at 443-352-4450.
