

University of Phoenix And Baltimore City Community College

Maryland

Articulation Agreement

Introduction

This articulation agreement formally recognizes that the **University of Phoenix** and **Baltimore City Community College** are educational institutions which agree to work together to provide educational opportunities for the currently enrolled and potential students of their institutions. Agreement to this alliance requires a commitment by both institutions to facilitate the transfer of associate degree conferred students into a baccalaureate degree program without jeopardizing the intended mission and stated goals of either institution.

Purpose

The agreement defines a structure through which articulation on all levels will be supported. This agreement is specifically designed to allow for maximum transfer of credit and a seamless transition for students earning an associate degree. Development and distribution of all transfer articulation products (e.g. brochures, checklists or transfer guides) are the responsibility of the University of Phoenix. The University of Phoenix will consider the input from Baltimore City Community College so that the most efficient transfer possible may be achieved for the student. The University of Phoenix and Baltimore City Community College agree to develop a working plan to accomplish students' transition between associate and baccalaureate degrees.

Transfer Features and Benefits

1. All credit from associate degrees (including vocational degrees), awarded by Baltimore City Community College will transfer to the University of Phoenix, meaning that all associate degree-related courses, subject to program limitations detailed on the transfer literature, will automatically transfer.
 - Although credits will be accepted in transfer, additional general education credits may be needed to fulfill the program requirements.
 - Students from Baltimore City Community College will be granted admission to a baccalaureate degree program at the University of Phoenix based on academic requirements as a result of having earned an associate degree and upon further satisfaction of all other conditions for admission as stated in the University Catalog. University of Phoenix admission requirements may be viewed at www.phoenix.edu
2. If the student is enrolled in the Bachelor of Science in Management program (in states where offered), the associate degree focus will be listed as an area of emphasis on the baccalaureate transcript and University of Phoenix diploma.
3. Students from Baltimore City Community College, who are within 12 months of the completion of their associate degree, may pre-apply to a University of Phoenix baccalaureate program and will be granted access to the University of Phoenix University Library Online Collection. Continued access to these services following the 12-month period will require students to be enrolled in the University.
