

Dual Enrollment Program

Agreement Form

The Early Enrollment program is designed to give high school students an opportunity to dually enroll at BCCC giving them a head start at the college. Its' purpose also, is to give students a measure a confidence by demonstrating through experience that they are capable of doing college-level work. We cannot overemphasize that these courses are college-level and demand a higher level of commitment than that of a high school course. Students are expected to earn a grade of "C" or above to continue in the Dual Enrollment program and to maintain the Early Enrollment Scholarship.
