WHAT TO BRING OR COMPLETE:

To complete a FAFSA, students must know or bring the following:

- Know their social security number (or Alien Registration Number for non-U.S. citizens)
- Bring their 2020 federal income tax return for 2022-23 FAFSA
- Bring their 2021 federal income tax return for 2023-24 FAFSA
- Bring their W-2 and other records of untaxed income
- If applicable, students must also bring bank statements and records of investments. Dependent students will need to bring most of the required FAFSA information for their parents, too.

Before arriving at a “FAFSA Night” program, students must create a Federal Student Aid ID at <https://studentaid.gov/fsa-id/sign-in/landing>. The ID gives students access to Federal Student Aid’s online systems and can serve as a legal signature.

We look forward to these great events lined up for the Fall 2022 semester!
