From the Agency Head of Public Safety

Thank you for taking the time to read the Baltimore City Community College (BCCC) 2022 Annual Security Report designed to provide important safety information on all our college's campus locations. In addition to detailing the various programs the College offers to the community, the report provides statistics regarding crime incidents on campus. In any review of the statistics, the reader will gain the sense that BCCC has extremely safe campus locations. This level of safety on campus is due in part to the combined efforts of different departments and individuals. Safety is a community responsibility; in this context, BCCC relies on every member of the community to contribute to security on campus by reporting suspicious activities and using common sense when going about daily activities.

The Department of Public Safety is primarily responsible for developing services, programs, and strategies for maintaining safe campus locations. BCCC relies on our collaborative relationships with the community to fulfill that responsibility. The College hopes you find this report informative and helpful, and that your visit to BCCC is enjoyable and safe. If you have questions or would like additional information, visit our website at [www.bccc.edu](http://www.bccc.edu) or stop by Room 58 of the Liberty Campus Main Building.

## **I. The National Campus Locations Security Act, Legal Requirements**

The Campus Locations Security Act requires colleges and universities to:

- publish an annual report each year by October that contains three calendar years of campus locations crime statistics and certain campus security policy statements;
- disclose crime statistics for campus locations, public areas immediately adjacent to or running through the campus locations, and certain non-campus facilities and remote classrooms. The statistics must be gathered from campus locations police or security, local law enforcement and other college officials who have “significant responsibility for student and campus activities”;
- provide “timely warning” notices of “crimes that have occurred and pose an ongoing threat to students and employees”; and,
- disclose in a public crime log “any crime that occurred on campus locations . . . or within the patrol jurisdiction of the campus security department and is reported to the department.”

The BCCC Public Safety Department is responsible for preparing and distributing this report. BCCC works with other departments and agencies such as the Division of Student Affairs and the Baltimore City Police Department, to compile the information. BCCC encourages members of the College community to use this report as a guide for safe practices on and off campus locations. It is available on the BCCC website at [www.bccc.edu](http://www.bccc.edu).

Each member of the College community which includes faculty, staff, and students receives an email that describes the report and provides its website address. For a paper copy, contact the BCCC Department of Public Safety at 410-462-7700.

## **II. The Department of Public Safety**

The Department of Public Safety is open 24 hours a day, 365 days a year. The telephone number for emergency calls as well as routine business calls is 410-462-7700. Consists of Maryland Police and Correctional Training Commissions (MPCTC) Certified Sworn Police Officers and Non-Sworn Public Safety Officers dedicated to providing the best professional service possible to the College community. Officers patrol campus locations on foot and in vehicles. Officers and a supervisor are on duty 24 hours a day. The Command Center is operated by trained dispatchers who answer calls for service, dispatch officers and provide other emergency services regarding incidents, and monitor intrusion detection and fire alarms. The staff also provides a variety of other services, including operating the campus escort program.

Working in partnership with the community, BCCC public safety officers are committed to providing the highest quality of service to the students, faculty, staff, and visitors of BCCC by maintaining community peace, safety, and quality of life. As a law enforcement department, the College’s vision is to provide safety for our community and enhance the educational opportunities of students through effective community policing and superior customer service. Through progressive training, pro-active enforcement, and ethical conduct, the Department of Public Safety provides and maintains the delivery of quality services.

## **The Department's Mission and Values**

### **Humanity:**

BCCC respects life and liberty and is sensitive to the needs and concerns of the community, treating everyone with respect, compassion, and dignity.

### **Professionalism:**

The Public Safety Office is committed to excellence and professionalism, and maintains the highest standards of training, education, and discipline.

### **Integrity:**

The department operates by the principles of justice and honesty and employs the highest staff ethical standards as it demands accountability, consistency, fairness to the community, and truthfulness in the pursuit of our mission.

## **III. College Locations Policing and Security Policies**

### **BCCC Police Officers, Law Enforcement Authority, and Interagency Cooperation:**

BCCC Police Officers derive their law enforcement authority from State of Maryland statutes. Annotated Code of Maryland, Education Article §14-106. A BCCC Police Force was created July 1, 2006, under House Bill 1669. BCCC Police Officers have the same powers, privileges, immunities, and defenses as sheriffs, constables, police officers, and other peace officers including the powers of arrest. BCCC Police Officers are required to complete a police training course approved and authorized by the Maryland Police and Correctional Training Commissions. MPTC-Certified Sworn Police Officers must attend mandatory in-service training throughout the year to perform more efficiently and more safely. The Non-Sworn Public Safety Officers attend a 40-hour professional development course that provides them the theories of campus locations security.

### **Interagency Cooperation**

The Department of Public Safety works closely with the Baltimore City Police Department and other police agencies. BCCC relies on these relationships for support on all levels. In addition to sharing critical information, the BCCC Public Safety Department has immediate contact with the Northwestern District of the Baltimore City Police Department. This arrangement provides BCCC immediate access to mutual aid and support from the Baltimore City Police Department and other first responder agencies. BCCC has various methods for individuals to report crimes and other serious incidents on a voluntary and confidential basis.

### **Reporting Criminal Incidents and Other Emergencies**

All students, employees, and guests should promptly report criminal incidents, accidents, and other emergencies to the Department of Public Safety by dialing extension 7700, Liberty Campus or 410-462-7700. Individuals may report incidents in-person at the department's Public Safety Office. The College has installed emergency two-way call boxes and blue light phones throughout the campus locations for use during emergencies. By pressing the red button on the stations, users can communicate directly with the Communications Center. The location of the station is displayed to the Communications Officer.

## **Access to College Locations Facilities**

Access to campus locations buildings and grounds is a privilege extended to students, faculty, staff, and authorized guests. The College encourages an open environment with limited constraints to ensure reasonable protection of all members of the community. Most campus facilities are open during weekday business hours of 8am to 5pm. Individuals who wish to access the College's buildings or property during non-business hours or for unique events should contact the Department of Public Safety.

## **Security Considerations in the Maintenance of College Facilities**

BCCC is committed to campus safety and security. Exterior lighting and landscape control are a critical part of that commitment. Representatives from various departments continually conduct security surveys to ensure campus locations lighting is adequate and that the landscape is appropriately controlled. Department members conduct routine checks of lighting on campus locations during regularly assigned patrol duties. If lights are out or dim, officers will initiate an immediate work order, which is completed by a representative of the appropriate maintenance office, usually within 24 hours or the next business day. BCCC encourages community members to report any deficiency in lighting to the Facilities Department at 410-462-8530. Any community member who has a concern about physical security should contact the Public Safety Department at 410-462-7700.

The BCCC Public Safety and Facilities Departments work together to identify inoperative locking mechanisms. BCCC encourages community members to promptly report any locking mechanism deficiency to the Facilities Department or Department of Public Safety. Maintenance staff members are available to respond to calls for service regarding unsafe facility conditions or for personal safety and property protection. These conditions may also include unsafe steps or handrails, unsafe roadways on campus locations, and unsecured equipment.

## **Emergency Blue Light Phones/ Emergency Phones**

These two-way call boxes are located strategically around campus locations. They boxes allow an individual in need of assistance to speak directly with a member of the department. The communications officer will dispatch the appropriate emergency response team to the caller's location.

## **IV. Safety Alerts**

### **Timely Warning Notices and Campus Safety Alerts**

To help prevent crimes or serious incidents, the Department of Public Safety, in conjunction with other departments on campus locations, issues Campus locations Safety Alerts in a timely manner to notify community members about certain crimes in and around the campus community. Members of the community who know of a crime or other serious incident should report that incident as soon as possible to the Department of Public Safety so that a Campus Safety Alert can be issued, if warranted. If community members report crimes or serious incidents to other administrators, those administrators will notify the Department of Public Safety. Representatives of these offices should promptly notify and collaborate with the Department of Public Safety to issue a Campus Safety Alert if one is appropriate.

## **Distribution of Campus Locations Safety Alerts**

The Public Safety Department distributes Campus locations Safety Alerts in numerous ways. Once the College determines that an alert will be issued, the department e-mails the alert to all campus email addresses and posts the alert on its website at [www.bccc.edu](http://www.bccc.edu). The department also posts alerts on bulletin boards and sends alerts through text messages to registered mobile devices (i.e., cellular phones). For information on how to register a mobile device, call 410-462-7700 at any time or click on the following link:

[https://bccc.omnilert.net/subscriber.php?command=show\\_signup](https://bccc.omnilert.net/subscriber.php?command=show_signup)

## **Daily Crime Log**

The Department of Public Safety maintains a Daily Crime Log that records by the date the incident was reported. The Daily Crime Log includes the nature, date, time, and general location of each crime reported to the department, as well as the disposition of the complaint, if this information is known at the time the log is created. The department posts specific incidents in the Daily Crime Log within two business days of receiving a report of an incident. The Daily Crime Log is available for public inspection at the department's Command Center.

## **Fire Drills**

The College requires complete evacuation of buildings during a fire alarm. Individuals who ignore fire alarms and required evacuations may face disciplinary action. Since false alarms may lower evacuation responses, the College will analyze the cause or causes of false alarms and work to reduce their occurrence.

## **V. Crime Prevention Measures**

### **Crime Prevention Promotions**

The department maintains a crime prevention brochure that outlines crime prevention programs and strategies available for the community. The department periodically chooses a special topic to highlight in flyers or on the department's website. Additionally, the Department of Public Safety conducts the Public Safety Community Awareness Series Workshops on crime prevention. Such topics include Cyber Security, Personnel Safety, Gang Awareness and Sexual Assault. In 2011, the department hosted the Take 25 event co-sponsored by the National Center for Missing and Exploited Children and the National Organization of Black Law Enforcement Executives.

### **College Locations Escort Program**

If the need exists to travel alone at night, the campus locations escort program provides a safe, reliable way to travel throughout the campus locations. The program consists of a walking escort by a member of the Public Safety Department. For this service, individuals may call the Department of Public Safety at 410 462-7700 to request an escort.

## **Security Survey**

The Department of Public Safety will be conducting Security Surveys in the future. These surveys will be conducted periodically with other members of the College community, including members of the Student Government Association. The primary goal of the surveys will be to identify areas of college locations that may present vulnerabilities to the public safety. The department will work with the Office of Institutional Research to develop and conduct surveys and with the Facilities Department to address concerns noted in the results.

## **VI. BCCC Policies**

### **BCCC Alcohol Policy**

Students at BCCC are expected to be acquainted with and abide by State laws and College regulations regarding alcohol and drugs. Alcoholic beverages are prohibited on any campus locations. Among those violations considered to be most serious are the manufacture, sale, or distribution of illegal drugs; any involvement in illegal drug use or traffic with minors, particularly from the local area; and possession or use of the more dangerous or highly addictive drugs. BCCC policy prohibits the unlawful possession, use, or distribution of alcohol and controlled/illegal drugs by any member of the College community. All community members are expected to comply with the BCCC policy as well as federal, state, and local laws. Disciplinary action imposed by the College may be in addition to criminal penalties. Both students and employees are subject to the applicable state and federal laws and College policies.

Educational resources to address drug abuse are located on the Student Support and Wellness Services webpage- [www.bccc.edu/counseling](http://www.bccc.edu/counseling). Information and available resources addressing substance abuse are at <https://www.bccc.edu/Page/2520>.
