Students who have debts owed to the State of Maryland are subject to garnishment.

Financial aid refunds are processed by a third-party Heartland/ECSI. Heartland/ECSI will send an email to eligible students to choose their method of refund (i.e. direct deposit or paper check).

WITHDRAWAL AND REFUND POLICIES

Credit Courses

Students dropping or withdrawing from a credit course may be eligible for a tuition refund. Refund information appears on students’ bills. The amount of refund is determined by the date on which the Add/Drop/Withdrawal form is received in the Registrar’s Office, according to the following schedule for 16-week Fall and Spring regular semesters:

First week of the semester.........................100% refund
Second week..............................................50% refund
Third week.................................................25% refund

No refunds are made after the third week of the semester.

The refund schedule for sessions shorter than the regular 16-week semester is as follows:

Second day..............................................100% refund
Third day..................................................50% refund
Fourth day............................................... .25% refund

No refunds are made after the fourth day.

The complete refund policy is available in the Student Accounting Office.

NOTE: The above refund policy does not apply to students who are receiving federal or state financial aid. Financial Aid recipients are subject to the Federal Return to Title IV (R2T4) refund calculation and will have different withdrawal percentages. Details are available in the Financial Aid Office.

STUDENT DEBTS TO THE COLLEGE

Debts incurred during any semester must be paid before a student can register for a subsequent semester. If the student’s balance is greater than $250 a student can pay the difference including collection cost.

The student will need to setup a payment plan for the remaining $250. Students with Financial Aid can ask the Financial Aid Office if they can use $200 of their future aid to cover a past due balance.

This must be approved by the Financial Aid Office, and the student must pay the difference. BCCC will deny requests for academic transcripts or diplomas until all debts are cleared.

Outstanding debts will be deducted from any refund due to the student. After 90 days, uncollected debts will be charged to the student. The collection fee is 17% of the unpaid balance plus any attorney and court costs.

The College will not write off a student’s bankruptcy until the discharge has been approved by the State Attorney General’s Office for Chapter 7 bankruptcy.

BAD CHECK POLICY

Any person writing a bad check will not be allowed to write checks to satisfy debts or make purchases; a certified check, money order, or cash must be used. Any person writing a second bad check will not be allowed to write checks to BCCC. After 90 days without payment, the debt will be referred to the State of Maryland’s Central Collection Unit and a 17% collection fee will be added plus any attorney and court costs.

DEFERRED PAYMENT PLAN (Heartland)

Baltimore City Community College uses Heartland/ECSI to process the College’s Deferred Payment plans for the students taking credit courses. The Deferred payment plan allows students to defer their tuition, fees and textbooks for the Spring, Summer and Fall semesters only. The payment plan does not have any credit (course) restrictions. Students can also setup a deferred payment plan for just their textbooks if needed. Payments will be due on the 10th of each month.

Once the student has added textbooks to their deferred payment plan, the student needs to contact the AR Clerk or the Bursar to setup their bookstore account. The bookstore account will be setup for the...
total amount that the student applied to the deferred payment plan. Once textbooks are added to the Tuition Payment Plan, the student needs to contact the Student Accounting Office to setup a Bookstore account. Contact Student Accounting at 410-462-8333, or send an email to: studentaccounting@bccc.edu.

For questions call Heartland at 866-927-1438.

**Heartland/ECSI will charge students a $50 application fee each semester.**

Deferred Payment Plan: Heartland is an option to consider, enrolling in a plan early will result in more payment options. The payment plan is offered for the Fall, Spring and Summer semesters. There are no course restrictions. Students can also include textbooks in their payment plan. Visit [https://www.bccc.edu/Page/2424](https://www.bccc.edu/Page/2424) for more information.
