

BCCC

Baltimore City Community College

ACCOUNTING, AAS

Associate of Applied Science

The Accounting program prepares students for advanced academic studies as well as for careers in public accounting, private industry, government and non-profit sectors. The accounting degree program is designed for individuals seeking entry-level employment and also in part to prepare for the CPA examination.

The program offers 60-credit, sequentially tiered course work that provides students with the opportunity to master conceptual/theoretical and technical skills. It is accredited by the Accreditation Council for Business Schools and Programs (ACBSP).
