

# ACCOUNTING

**BCCC**  
Baltimore City Community College

Associate of Applied Science  
Accounting Certificate

## The Accounting Program

prepares students for advanced academic studies as well as for careers in public accounting, private industry, government and non-profit sectors.

The accounting certificate is designed for individuals seeking entry-level employment in bookkeeping or accounting.

The program offers 60-credit sequentially tiered course work that provides students' opportunity to master conceptual/theoretical and technical skills in Cybersecurity.

The Accounting degree program is accredited by Accreditation Council for Business Schools and Programs (ACBSP).

## Endless Career Options

This program prepares students for careers as Junior Accountants, Accountant Clerks and Entry Level Bookkeepers.
