

FASHION DESIGN DEGREE – M185

Associate of Applied Science (AAS)

CATALOG DESCRIPTION OF PROGRAM:

The Fashion Design Degree is structured for the student who plans to pursue freelance and entrepreneurial careers in the fashion field, or is seeking immediate entry into the fashion industry. Students prepare for careers as designers, assistant designers, computer designers, patternmakers, tailors, fashion stylists, and in the area of specialized design services. Students who choose this degree program will receive a technical background in illustrating original designs, patternmaking, and clothing construction to transform their designs into finished garments.
