

Accredited by the Accreditation Commission for Education in Nursing (ACEN) and approved by the Maryland Board of Nursing.

The Nursing Program is a two-year program that prepares graduates to take The National Council Licensure Examination (NCLEX-RN) to become a registered nurse (RN). Registered nurses work in a team with other healthcare professionals to provide care for clients in a variety of healthcare settings.

Endless Career Options

Practical nursing education at BCCC is designed as a complete formal education for entry into practical nurse practice.

Registered nurses can pursue advanced nursing degrees such as nurse anesthetist, nurse practitioner, or a bachelor's, master's or doctoral degree.

BCCC also offers an Licensed Practical Nurse-to-Associate Degree Nursing option and a Practical Nursing Certificate Program.
