Application Process

What are the requirements for the Paramedic and Paramedic Bridge Certificates?

A. Pre-Program Entry Requirements:
   - Students must be 18 years of age or older by the first day of class
   - Complete the College’s ACCUPLACER entrance exam and receive a placement recommendation of MAT 92 or higher and exempt from developmental reading.
   - PRE 100 Preparation for Academic Achievement
   - General Biology Placement Exam – To test out, a student must score a minimum of 70% on the test: only two attempts are allowed. Failure to pass the test-out exam will require the student to register into either of the two General Biology courses, Bio 101 or Bio 102
   - BIO 107 Anatomy & Physiology - If completed successfully BIO 202/BIO 203 will substitute for BIO 107. Must complete BIO 107 or BIO 202/BIO 203 with a “C” or better. Sciences must be completed within 5 years of entry into the program.
   - Current AHA CPR Provider (Basic Life Support)
   - Certified Emergency Medical Technician (Paramedic Certificate) or Licensed Cardiac Rescue Technician (Paramedic Bridge Certificate)

Note: Effective in the Fall 2016, Paramedic Bridge applicants will be required to take a Cardiac Rescue Technician exam.

B. Application Process

Program applications are available online (www.bccc.edu). The deadline for applications submitted via canvas for fall 2018 admission is Friday, June 1st, 2018.

C. Selection Process: Total possible score 15

1. Baltimore City resident Yes _____ (1) No _____ (0)
