**Policy Statement:**

It is the policy of Baltimore City Community College generally to prohibit the possession, use, consumption, sale, purchase, distribution, dispensation, or manufacture of alcohol, controlled substances or illegal drugs on campus premises, at all College-sponsored activities, within its facilities, in the conduct of College-related work off College premises, or at anytime during the course of the workday.

Although alcohol consumption on campus is generally prohibited, the President has the authority to make exceptions to this policy when the President believes it is in the best interests of the College to do so, with the expectation that under-aged persons will not be served and that moderation will be practiced.
