Baltimore City Community College students will go “Live” with a new student email powered by GMAIL®. Students will learn more through the BCCC student portal.

- **New students** will receive instructions as part of the admissions process.
- **Blackboard users** will begin using email in January 2014.
- **Current Students** will have access to information from their former email until January 2014. Students can forward email to the new gmail.

The New Student Email Format will read:

First Initial+Lastname+Random 4-digit number followed by @student.bccc.edu.

**Example:** JDoe8300@student.bccc.edu

**To learn more, log-in to your BCCC student portal.**
