2013 SUMMER BRIDGE PROGRAM APPLICATION

June 24 – August 09, 2013

APPLICATION DEADLINE: Friday, June 07, 2013

PROGRAM SUMMARY

The Summer Bridge Program is an intense seven-week program at Baltimore City Community College (BCCC) designed for students to get a head start on their college education. Students will take the College’s mandatory student success course (Pre-100 class), which will help lay the foundation necessary to be successful at BCCC. You will also take review sessions that will allow you to move through the developmental course sequence quickly. In addition, you will attend interactive workshops designed to support your transition to college and you will meet and work with other students that are serious about being successful in college. If selected as a program participant, the scholarship you receive will cover the tuition and fees of courses you are enrolled in, course textbooks, and other educational supplies.

PARTICIPANT REQUIREMENTS

Please fill out this application if you meet all the following criteria:

1. You are a Black/African-American Student
2. You have completed and submitted the BCCC Application Packet
3. You have taken the ACCUPLACER exam once and placed into developmental education.
4. Have not started your developmental courses sequence
5. You are registered/available to attend BCCC in the Fall 2013 semester.
6. You are serious about being successful in college.

APPLICANT PROFILE (Please write legibly)

Name: ____________________________________________
    First            Middle            Last

Address: __________________________________________
    Street Address                        Apartment or Unit Number

    City                        State                        Zip

Email: ____________________________________________
    SSN: ___ ___ ___ - ___ ___ - ___ ___ ___ ___

Phone: ____________________________________________
    (Primary Number)
    Phone: _______________________________________

The Summer Bridge Program is an intensive academic seven-week program, which assists students in making the transition from high school/GED programs to college. The program also provides support into the academic year. In the lines below, answer the following questions.

1. Why do you want to attend college? ____________________________________________________________
________________________________________________________________________________________
________________________________________________________________________________________
________________________________________________________________________________________
________________________________________________________________________________________

2. What are your career aspirations? _____________________________________________________________
________________________________________________________________________________________
________________________________________________________________________________________
________________________________________________________________________________________

3. Why do you want to participate in the Summer Bridge Program? ________________________________
________________________________________________________________________________________
________________________________________________________________________________________

4. Have you already registered for the Fall 2013 semester? (select one)  □ No  □ Yes

   If yes, please state what classes you have registered for below:
   ___________________________________________  ___________________________________________  ___________________________________________
   ___________________________________________  ___________________________________________  ___________________________________________

5. **Required**: Please ensure that you attach a recent copy of your Student Inquiry to this application. Applicants are also required to complete the BCCC Student Online Orientation.

6. **Applicant must participate in**:
   - One Pre-100 class that meets two times per week
   - ACCUPLACER Review Sessions in Math and/or English
   - Four Exciting Workshops
Orientation for the Summer Bridge Program is also a mandatory requirement for participation in the program. You must attend one orientation session. Please place a checkmark (✓) in the box of the Orientation session you plan to attend.

- Monday, June 17, 2013 9:00am – 12:00pm
- Monday, June 17, 2013 2:00pm – 5:00pm
- Tuesday, June 18, 2013 1:00pm – 4:00pm
- Tuesday, June 18, 2013 6:00pm – 9:00pm

Course Schedule Selection

For scheduling purposes, please place a checkmark (✓) in the box of the class schedule that you would prefer/attend. If you need both Math and RENG (Reading and English) Review Sessions, you may place two checkmarks (for example, you may select Options 1 and 2).
