OUR HISTORY
1947-2017

BCCC is both an old and a young institution. The College was founded in 1947, as Baltimore Junior College, a part of the Baltimore City Public Schools. Its mission was to provide post high school education for returning World War II veterans. In 1967, the College was renamed Community College of Baltimore and restructured as a department of the City of Baltimore. In the 1980s, shrinking resources made it difficult for the City to continue operating a quality institution of higher education. As a result, on July 1, 1990, the Maryland General Assembly created a new institution, New Community College of Baltimore, funded by the State of Maryland. The College was granted permanent state status in 1992 and renamed Baltimore City Community College.
Baltimore City Community College provides quality, affordable, and accessible educational opportunities with comprehensive programs that meet the professional and personal goals of students while improving communities in the greater Baltimore area.

ORIENTATION
FOR STUDENTS ENROLLED IN ONLINE OR HYBRID COURSES

E-Learning Orientation
In order to become familiar with course expectations and the learning management system (Canvas), students who register for online and/or hybrid courses for the first time are required to attend an orientation prior to the start of the semester. The orientations may be done in Canvas, on campus, or through webinars conducted online in real time. All students should have Student Canvas Orientation listed in Courses under their Canvas login.

The E-Learning orientation schedule, login information, and videos introducing Canvas to students can be accessed by going to the Canvas login page (https://bccc.instructure.com) and clicking on Canvas Login Help Page. No login is required to access this information.

More information is available at the E-Learning Department, Liberty Campus, Harper Hall, Room 110, 111, or 103. The email address is online@bccc.edu, and the phone number is 410-462-7625.

What is an online and/or hybrid course?
Online courses are taught via the Internet. Students communicate with their instructors and one another asynchronously (not real time). Course documents, papers and assignments are exchanged through Canvas, the learning management system used at the College. For certain courses, students may be required to come to campus for testing.

Hybrid courses are taught partly online and partly in the classroom. Students enrolled in hybrid courses must attend specific on-campus sessions (see Course listings for dates, times and locations), and complete the rest of the coursework via the Internet.

Are there hardware requirements for online or hybrid courses?
Please contact the E-Learning Department for more specific information regarding required computer and browser capabilities if you have trouble accessing the Canvas-based E-Learning system. Older hardware and browser software may not be compatible.

Canvas offers mobile applications (apps) for all types of smartphones and tablets and all apps are FREE!

What computer skills or requirements are needed for online or hybrid courses?
Students must have adequate computer skills and regular access to a computer or device with Internet access in order to be able to complete online courses successfully. For a self-test of computer skills and more information about E-Learning, please go to the BCCC website at http://www.bccc.edu/elearning, click on Are Online Classes for You?, and then click to start the Computer Skills Inventory.

What student study skills are needed to be successful in online or hybrid courses?
Students must be highly self-motivated and self-directed; have good time, task and schedule management skills; be able to problem solve; know when and how to ask for help; and be willing to persist.
Canvas is easy, intuitive and student friendly. All BCCC courses will be offered only through Canvas.

Canvas is a learning management system owned by the Instructure Company.

All students will be able to login to Canvas with the same login they had in Blackboard. However, only the default passwords will work (the 4 random numbers appearing in the username, the year of birth in 4 digits, the month and day of birth in 2 digits each).

Example:  John Smith, born on February 9, 1993.
          jsmith4756 (username) 475619930209 (password)

Canvas offers mobile applications (apps) for all types of smart phones and tablets and all apps are FREE!

The web address for Canvas is https://bccc.instructure.com.

ADULT BASIC EDUCATION

Harbor Location, Reisterstown Plaza Center
410-986-5444 or 410-580-2750

BCCC is a leader in helping adults achieve functional literacy and important life skills, and is the largest provider of literacy services in Baltimore City. By combining modern teaching technologies with a caring, committed, and innovative professional staff, BCED has achieved notable success in helping adults learn. Courses are either free or affordable, and can be customized for businesses, government agencies, nonprofits, schools, churches, and community organizations either onsite, or at the Harbor Campus, Liberty Campus, or Reisterstown Plaza Center.

BCED offers four interrelated program opportunities to individuals and employee groups: basic literacy, basic skills (Pre-GED® preparation), GED® test preparation, and an Alternative Diploma Options Program.

Basic Literacy Basic literacy classes are designed to help students develop basic reading and writing skills. These classes employ the Wilson Reading Method to support individual and small group instruction. Classes in Adult Basic Education (ABE) provide classroom instruction in basic reading, writing, and math, as well as basic life skills. Through grant funding, courses are offered at no cost to adults on campus and at more than 30 sites throughout Baltimore City. They are also a pathway to building skills necessary to take the GED® test preparation classes.

GED® Test Preparation GED® courses prepare adults to earn their Maryland High School Diploma by successfully completing the tests of General Educational Development. These courses provide training in the four content areas: Reasoning Through Language Arts, Social Studies, Science, and Mathematical Reasoning.

Alternative Diploma Options As an alternative to GED® test preparatory classes for persons seeking a high school diploma, there is now the option of enrolling in an individualized online credit recovery program at the College. This program, known as APEX, is Internet-based and features a complete course designed to meet students at different ability levels. This option provides flexibility in completing the requirements for a high school diploma as students work at their own individual pace. Adults needing credits for a diploma can complete those credits anywhere they can access the Internet. In addition, students must attend class at the College a minimum of six hours per week. A recently added feature allows a student to begin the course by taking a pre-assessment test from questions randomly selected from throughout the course, and these results then determine what chapters the student still needs to complete to acquire that credit.

ENGLISH LANGUAGE SERVICES AND BASIC SKILLS

Harbor Location, Reisterstown Plaza Center
410-986-5430

BCED’s English Language Services and Basic Skills offers a variety of English as a Second Language (ESL) curricula to meet the diverse language needs of both Maryland residents as well as international students. Services include: English Language Instruction for immigrants and international students seeking preparation for additional academic study; basic English language skills development for immigrants, refugees, and asylees; specialized programs for refugees and asylees; ESL sections of Adult Basic Education classes for GED® preparation; and citizenship preparation. In addition, English as a Second Language also meets the needs of the business community in terms of providing English Language and basic skills development on a contractual basis. Integrated courses that combine both basic skills development as well as workforce training are also available.
English Language Instruction English Language Instruction (ELI) offers a comprehensive series of English courses for immigrants, international students, and others who want to get a college academic certificate or degree, develop their language skills for personal enrichment, or obtain a GED ®. New students take a placement test at the Harbor Campus to determine their appropriate level of study. Academic Track courses are in the core areas of grammar, reading, writing, listening, and presentation skills. Available from intermediate through advanced levels, these courses satisfy the requirement for entry into credit courses for students pursuing a college degree. Successful completion of the required 82-level courses qualifies a student for English 101. BCCC can issue I-20s to international students who qualify.

In addition to Academic Track courses, ELI offers Continuing Education courses for students seeking to develop their English proficiency beyond the basic levels. Pre-GED ® for ESL classes develop students’ basic skills and test-taking skills to pass the GED ® exam.

Basic English Language Skills BCED’s Community ESL program provides basic English skills development and literacy services for the immigrant and refugee populations of Maryland. Sponsored by grants from the Department of Labor, Licensing and Regulation (DLLR) as well as the Maryland Office for Refugees and Asylees (MORA), these courses are offered free of charge to students who qualify. Interested students need to contact the ESL Student Counselor at the Harbor campus to schedule a testing and registration session to ensure they are placed at the appropriate level. Classes are offered throughout the year at both on-campus and off-campus community sites.

Basic Skills Instruction Basic Skills instruction helps foreign and native born students prepare for the workplace by providing skills upgrading in the areas of reading, writing, math, and English as a foreign language. Basic skills instruction is offered as stand-alone coursework and as the innovative Integrated Maryland Basic Education Skills Training (MIBEST) model which combines occupational training with basic skills development. Additional course options include job readiness, computer technology, and preparation for the WorkKeys National Career Readiness Certificate program.

Refugee and Asylee Services BCED offers numerous services to the Refugees and Asylees that are resettled in both Baltimore City and in Maryland. In addition to the Basic English Language Skills courses available throughout the year, BCED also coordinates after school and summer programming for refugee youth in Baltimore City as part of the Refugee Youth Project. In addition, job training and employment skills are also taught as part of the Refugee Employment Training Program.

Citizenship Preparation Citizenship Preparation provides the civics knowledge and English language skills necessary to pass the U.S. Citizenship and Immigration Services (USCIS) naturalization interview. Classes are offered at BCCC sites and locations throughout the State of Maryland. Registration is ongoing and is open to all students with permanent residency for at least four years and nine months or marriage to a U.S. citizen for three years minimum.

Revised: 12/1/15
How do I know who my Academic Advisor is?

During your first semester at BCCC you will be assigned an advisor according to your major. You can find your advisor’s name on the Student Portal on your Student Inquiry or on Canvas. To find contact information for that advisor look under “Contact Us”, then “A-Z Faculty and Staff Directory.” If you do not have an academic advisor assigned, you should contact the Student Success Center.

What if I cannot reach my Academic Advisor?

You must make an effort to reach your assigned Academic Advisor by phone and/or email, if not in person. Most Academic Advisors are full-time staff or faculty whose schedules are either posted on their office doors or on their telephone messages. If you cannot reach your advisor, try to seek advice through the Associate Dean.

I know what I want to take already. Do I need an Advisor’s Signature to register?

Even if you have decided what to take, you will need to contact your advisor so that you can obtain permission to register for those courses since there may be changes to the curriculum, prerequisites, or other factors that may be important to you. You need an advisor’s signature or a Goal Attainment Plan (GAP) that authorizes you to register online or in person.

Advising Milestone

BCCC ensures that students remain on track toward a degree or certificate by requiring them to meet with an advisor once they have completed 15, 30 and 45 credits. The advisor will be able to “lift” the Milestone block after discussing required courses and when it is best to take them. The advisor can also clear the way for the student to register online by entering a GAP for you.

I have taken courses at another college or university. How can I register for a class at BCCC that requires one of those courses as prerequisite?

You must submit an official transcript (unopened) to the Admissions Office when you complete the BCCC application and prior to registration. An admissions officer will place the prerequisite transfer courses on your record. Most courses at BCCC require, at a minimum, that you are ready for college-level work in Math and English (either completing developmental Math, English, and Reading or placed out of these courses using the College’s Accuplacer Test).

How does my Academic Standing affect my ability to register?

If you are in “Good Standing,” you are eligible to participate in Early and online registration. If you are in “Academic Warning” or “Academic Dismissal” and are currently taking classes, you will not be able to register for the next semester until your grades for the current semester are posted on your grade report. You will need to see your advisor in the Student Success Center, or your advisor in a special program such as DSS or TRIO/SSS-STAIRS for further details.

I am trying to keep track of my progress in my curriculum. How do I know which version of the Catalog to follow?

When you meet with your advisor, you will discuss the proper Catalog that you should be using. As long as you do not miss two semesters in a row, you should follow the instructional program as described in the Catalog “you came in on.” If you are about to graduate, you can also choose to follow requirements as listed in the Catalog for the year you graduate. You will receive an Educational Plan from your advisor which is your outline of required courses for your program.

Can I have some old grades erased to help boost my GPA?

As a state institution, we cannot “erase” grades from your transcript, but 15 credits can be removed from your GPA through Academic Renewal. If eligible, submit a Petition for Academic Renewal to the Records and Registration office with the signature of an academic advisor. The form is available in Records and Registration, and at the Student Success Center.

What is the process to take a class for the third time?

If you take a course more than twice, you will have to get approval in the Student Success Center. Financial Aid limits how many times they will pay for a class.
When do I need special permission to take a class?

There are several reasons you would need special permission to register for a class.

1) If the course description requires permission of a program head.

2) Permission to register for a full course is obtained from the Department Chair during the first week of classes.

3) To register for more than 18 credits during a Fall or Spring semester, or more than 8 credits in the Summer session(s), approval is needed from the Dean of Student Development.

4) You should always register as early as possible, in case you need to get approval from someone in addition to your academic advisor.

How many credits do you recommend for a new student?

First-time students will normally need extra time to get used to the college environment: how to get to classes, new expectations from professors, the multicultural environment, and how the college “system” works. Some students must be full time (international students, or students receiving scholarships that require full-time attendance, but note that the PELL grant does not require a full-time course load). A full-time course load is 12 to up to 18 credits. Each credit represents one hour in class and 2-3 hours outside class for homework, etc. So for a 12-hour course load, you can expect to be in class for about 12 hours per week and studying for another 24-36 hours per week. You should be able to commit to that schedule for the entire semester. If you cannot, please consider taking 6 or 9 hours.

How does withdrawing from classes impact my academic status?

Withdrawing from a class does protect you from getting a low grade in a class, but too many withdrawals can affect you in several ways. If you take six credits or more in a semester you must complete at least 50 percent of those credits with passing grades. If you withdraw from a class, or get an F or an Incomplete, these “grades” are considered as “did not complete”. Withdrawing or failing half of your current credits will change your academic status form Good Standing to Warning, and from Warning to Dismissal.

What are corequisites and prerequisites?

A prerequisite is a course that you have to complete before taking another class. A corequisite is a course you take the same semester as another course.

Can I test out of any classes such as biology, math, chemistry, English, etc.?

Yes, depending on the course. There is a CLEP test that you can take to show you don’t need to take a particular course. Check with the Test Center or the appropriate Associate Dean to see if you can test out of a course.

Statement of Residency

Baltimore City Community College assesses tuition on the basis of residence. A person who has been domiciled in the State of Maryland for a period of not less than three consecutive months prior to the date of enrollment at the College shall be considered a state resident. Domicile is defined as a person’s permanent place of abode where physical presence and possessions are maintained and where the person intends to remain indefinitely. Additionally, the domicile of any student who received more than one-half of his or her financial support from others within the last 12 months is the domicile of the person contributing the greatest portion of support, without regard to whether the parties are related by blood or marriage and without regard to student’s current address. A student under the age of 18 years of age may claim his/her residence as that of his/her parent(s) or legal guardian(s). Some non-immigrant visa types may not be eligible for instate tuition depending upon their United States Citizenship and Immigration Services (USCIS) visa status. For more information, contact the Office of Admissions, or refer to the BCCC website– www.bccc.edu. A student failing to complete the Statement of Residency on the Admissions Application and provide appropriate documentation for residency classification will automatically be classified as an out-of-state resident for tuition purposes. Military personnel and their dependents will be considered domiciled in the state of Maryland if they are domiciled in the state of Maryland at the time of entry into the service or if they are currently stationed in the state of Maryland and remain on active duty. A foreign national admitted to the United States on a temporary student or visitor visa may not be considered a Maryland resident. It is the responsibility of the student enrolling at the College to declare the proper residency status. Students are required to sign a statement verifying their residency. The burden of proof of domicile is upon the student who provided the documentation which substantiates his/her claim. A student who is discovered to have been improperly classified as a state resident will be reclassified as an out-of-state resident and will be required to pay the College the difference in tuition. Misrepresentation of facts in order to evade payment of out-of-state resident tuition may be considered cause for disciplinary action. The College requires students to provide proof of residency based on, but not limited to, one or more of the following:

- Maryland driver’s license address
- Motor vehicle registration address
- Address on income tax documents
- Voter registration address
- Uninterrupted presence at home address, including months when the College is not in session
- Presence of possessions at the student’s residence or home rental or ownership.

OFFICE OF FINANCIAL AID

BCCC School Code: 002061

Baltimore City Community College (BCCC) is dedicated to helping students and their families remove the financial barriers that might discourage students from attending college. BCCC participates in most major Federal and State programs. In addition, BCCC has different institutional scholarships, as well as a variety of Foundation scholarships.

See scholarship resources on the BCCC website.

Student financial aid is any grant, scholarship, loan, benefit, or employment opportunity provided to help students meet their educational expenses. Financial aid is usually provided by private foundations, Federal and State governments, and by colleges and universities.

The amounts and types of financial aid are determined by Federal, State, and institutional guidelines. Students and parents are expected to make a reasonable contribution toward college costs, based on the family’s financial ability to contribute.

Students are usually offered financial aid “packages” consisting of grants, scholarships, and employment. Grants and scholarships are regarded as “gift” aid and need not be repaid. If aid is offered in the form of a job, the student is paid an hourly rate that cannot be less than the minimum wage. BCCC does not participate in the Federal loan programs; however, the institution does offer the Hackerman Loan, not to exceed $500, to meet eligible students’ short-term emergency needs.

Federal and most State financial aid programs are based on need. Students must reapply each year for most of these programs.

The Office of Student Financial Aid awards campus-based aid (Federal Work-Study and Federal Supplemental Educational Opportunity Grants) and most institutional scholarships on a first-come first-served need basis. Students selected by the Federal government for verification must submit the required documentation to the Office of Student Financial Aid before being awarded financial assistance.

Baltimore City Community College does not participate in any student loan programs. Students who are not eligible for grants should contact the Student Accounting Office to discuss other options to pay their tuition and fees. The Student Accounting Office is located in room 27 in the Main Building on the Liberty Heights Campus. The Student Accounting Office telephone number is (410) 462-8333.

Financial aid recipients have the right to appeal financial aid decisions to the Office of Student Financial Aid.

EARNING YOUR FINANCIAL AID/RETURN TO TITLE IV (R2T4)

As part of the Higher Education Act of 1998, Congress passed regulations that dictate how Federal Student Aid funds are handled when a student withdraws officially from classes or stops attending classes during any given semester (unofficial withdrawal). These regulations require that a Return to Title IV (R2T4) calculation be performed in order to determine the amount of aid the student has earned.

Even though students are awarded and allowed to use their financial aid to registrar, the student is still required to earn the aid by attending classes up to the point that 60% of the semester has passed. When the student attends classes after 60% of the semester has passed, the student has earned all of the Title IV funds that he or she was awarded or was scheduled to receive.

When the student completely withdraws from the semester or stops attending classes before 60% of the semester has passed, the student has failed to earn all of the financial aid that he or she received. Therefore, the College will need to determine how much of the aid must be returned to the Title IV program by the College and the student.

Baltimore City Community College must calculate the amount of the earned aid by using the date of the student’s withdrawal from the college or the date the student stopped attending classes or the last date that the student attended an academically-related activity to determine the withdrawal date.

The Return to Title IV calculation is based on the total number of days in the semester compared to the total number of days that a student attended classes before the last date of attendance. If the student receives more aid than they ‘earned’, then the ‘unearned portion’ of the student’s aid must be returned to the U.S. Department of Education.

When a student’s award has to be adjusted, the monies that are returned to the U.S. Department of Education will be returned in the following order:

1. Pell
2. FSEOG

(BCCC does not participate in the federal student loan programs.)

Students earn the federal portion of their financial aid by attending classes. An example is as follows:

<table>
<thead>
<tr>
<th>Date of Withdrawal</th>
<th># of Days of Class Attend</th>
<th># Days in Semester</th>
<th>% Completed</th>
<th>% of Refund to DOE</th>
</tr>
</thead>
<tbody>
<tr>
<td>8/23</td>

<td>48%</td>
</tr>
<tr>
<td>10/22</td>
<td>66</td>
<td>110</td>
<td>60%</td>
<td>40%</td>
</tr>
</tbody>
</table>

To earn 100% of the aid awarded the student must withdraw AFTER 60% of the semester has passed. A complete copy of the Return to Title IV Policy can be found on the college’s web page at www.bccc.edu. In addition, a copy of the policy is available in the Financial Aid Office.

Institutional Refund Policy

Baltimore City Community College’s non-federal refund policy may be found in the tuition and fee section of the college catalog or course schedule that is published each semester.

Note: If Baltimore City Community College has to return a portion of the student’s federal financial aid, the funds will be deducted from their account and the student will owe the College for whatever amount had to be returned to the U.S. Department of Education.

PUBLIC SAFETY INFORMATION CENTER
The Public Safety Information Center is located in Room 51B on the ground floor of the Main Building, next to the Cashier’s Office.

Hours: Monday, Tuesday, Thursday and Friday, 8:30 a.m. - 5 p.m. and Wednesday, 11 a.m. - 7:30 p.m.

PARKING POLICY
All students parking on the Liberty Campus must display a valid BCCC parking hangtag. Students may obtain a BCCC Parking Permit Hangtag by registering with the Public Safety Office. A current College ID is required to purchase a hangtag. Parking with the hangtag is offered on a first-come, first-served basis. Due to limited parking spaces, regulations are strictly enforced by the Public Safety Department. Anyone parking on the Liberty Campus lot without the proper BCCC hangtag will receive a ticket.

DISABILITY PARKING
Designated Disability Parking is available for vehicles that have the MVA-issued disability registration plates or disability placard and the BCCC Parking Permit Hangtag. Disability parking is not available in zones where stopping, standing, or parking is prohibited to all vehicles, and in those spaces reserved for special types of vehicles.

PARKING HANGTAGS PRICES
Full-time students will pay $25 each session (fall and spring). Part-time students will pay $15 each session (fall and spring).

PARKING TICKETS
Tickets are payable to the BCCC Cashier. Anyone requesting an appeal for a ticket must do so in writing to the Chief of Public Safety. Ticket prices vary according to the violation. Tickets are also issued for parking in a marked fire lane, reserved handicap parking, or any other designated reserved parking space (designated only by signage). Failure to pay a parking ticket in the allotted time frame shall cause your vehicle registration to be reported to the Maryland motor vehicle flagging program.

IDENTIFICATION CARDS
All students are required to have a valid Baltimore City Community College picture identification card. There is no initial charge for the ID card; however, replacement cards cost $5. ID cards may be obtained from the Public Safety Information Center.

NOTE: Students are urged to read the Academic Information section of the Catalog for a more complete listing of College policies.

AUDITING COURSES
Students who want to attend a credit class without earning credit may audit a course on a space-available basis if they have met the necessary prerequisites and have written approval of the Department Chair. Students who audit a course are not evaluated for a course grade and do not receive credit. The tuition and fees for an audited course are the same as those for a course for credit. Financial Aid does not cover audited courses. See the Catalog for information.

COMPUTER LITERACY REQUIREMENT
All BCCC students must meet the College’s Computer Literacy requirement in order to receive a degree or a certificate. Students can meet this requirement in two ways:

1. By taking one of the computer courses listed below and passing the course with a “C” or better.
2. By passing the College’s Computer Literacy Test with a grade of 70.

COURSES THAT SATISFY THE COMPUTER LITERACY REQUIREMENT

- FASH 202: Computer-Aided Pattern Design
- BUAD 112: Computers for Business Management
- BCAP 104: Introduction to Operating Systems
- BCAP 155: Word Processing for Business Applications
- CADD 101: Introduction to CADD
- CISS 109: Principles of Computer Information Systems
- CLT 100: Computer Literacy
- CSC108: Programming in C
- HIT 232: Computer Applications in Healthcare
- HIT 251: Healthcare Management and Supervision
- OFAD 119: Word Processing Applications I

GRADE CORRECTIONS
Corrections to grade reports must be brought to the attention of the Records and Registration Office within one year from the date the class was completed.

COURSE SUBSTITUTIONS
Substitutions for courses required in instructional programs are permitted only in exceptional cases and must have written approval of the Program Coordinator, the Department Chair, and the Vice President for Academic Affairs. Waivers of program requirements are not possible. See the Catalog for details.

DEVELOPMENTAL COURSES
Developmental courses are offered to prepare students for college-level work. These courses are RENG 90, RENG 91, RENG 92, MAT 80, MAT 87, MAT 91, MAT 92. Students are placed in these courses based on their ACCUPLACER scores. Grade of C or better is needed to move to the next level of coursework.

For more information about the RENG courses, contact the Associate Dean at 410-462-7690. For more information about the MAT courses, contact the Associate Dean at 410-462-7631.

ELI Academic Track courses (ELI 80, 81, 82) develop the academic reading, writing, listening, and speaking skills of non-native speakers for college-level studies. For more information, contact the ELI Coordinator at 410-986-5433.
GENERAL EDUCATION REQUIREMENTS
In addition to the requirements of any specific Instructional Program, every student wishing to earn an associate’s degree must complete the College’s General Education Requirements. Students should consult the General Education Requirements and Instructional Programs section of the Catalog. All requirements must be completed within 10 years of initial enrollment. Re-entering students who have been away for two or more consecutive semesters (excluding summers) must meet General Education and Instructional Program requirements outlined in the Catalog in effect at the time of re-entering.

HEALTH AND LIFE FITNESS REQUIREMENT
In addition to Program, General Education, and other requirements, the College also requires two credits of Health and Life Fitness courses.

GRADUATION POLICY
In order to ensure the integrity of Baltimore City Community College, only students who have completed the degree or certificate requirements - including a GPA of 2.0 or higher and no billing obligations by the end of the fall/spring semester preceding commencement will be permitted to participate in the College’s annual commencement exercise. The College’s policy on graduation will be enforced.

INDEPENDENT STUDY

Students may apply under certain conditions to take a required course as an Independent Study. Approval from both the Department Chair and the Vice President for Academic Affairs is required.

INDEPENDENT STUDY POLICY

Students are expected to complete their programs through the normal schedule of courses. However, students in their last term are permitted to apply to take a required course as Independent Study provided that all the following conditions have been met.

1. The Student is in his or her last term
2. The course is required by the student to complete a degree or certificate program
3. The course is not being offered on the term schedule or the time of the course conflicts with another course the student needs to take
4. No appropriate course substitution can be found
5. The Independent Study is first approved by the Department Chair and then by the Dean on the Independent Study Form

Each application of Independent Study will be carefully reviewed and approved by the Associate Dean, Academic Dean, Dean and Vice President for Academic Affairs. Students are advised, however, that the College is under no obligation to provide this option. When the Independent Study is approved, the student will meet with the faculty assigned on a weekly basis. A course taken as Independent Study will cover the same content as the regularly scheduled course and have the same requirements and evaluation as outlined in the course syllabus.

ORIENTATION COURSE REQUIREMENT

All first-time full and part-time degree and certificate-seeking students are required to complete PRE 100: Preparation for Academic Achievement, the College’s one-credit orientation course. Transfer and readmitted students who have completed 15 or more credits toward a degree or certificate can be exempted from this requirement.

REPEATING COURSES

Students are expected to make academic progress in all their courses. When students do not successfully complete a course, they are permitted to repeat it one time. The College believes that both students and the institution must act responsibly to ensure the effective use of their resources, time, and finances; therefore, students may not register to take a course for a third time (including class withdrawals) without visiting the Student Success Center. The grade received each time a student enrolls in a course is posted on the student’s official transcript; however, only the highest grade received in the course is computed in the student’s Grade Point Average (GPA).

It shall be the policy of Baltimore City Community College to restrict students from continuously repeating courses for which they have received financial aid for payment of tuition and fees and for which they have received a grade of “C” or better. Therefore, students who receive a grade less than a “C” are permitted to repeat that course one time only and continue to receive financial aid. Withdrawals are not included in this policy.

However, if the student chooses to repeat a class which was twice paid for by financial aid, he or she must assume the cost of tuition and fees for the third attempt. This policy is consistent with the intent of the federal Satisfactory Academic Progress regulations.

STUDENTS WITH UNDECLARED ‘MAJOR’

Students who are undecided about their Instructional Program (“major”) or who have not declared a major are encouraged to explore, through the Academic Advisement process, various careers and programs. As part of this process, students are encouraged to declare a major before completing 15 credits. Those who do not are assigned to the General Studies Transfer program (code 008) and to an academic advisor.
TRANSFER CREDIT TO BCCC

General Transfer Policy

It is the policy of Baltimore City Community College that students who have successfully completed college-level courses at a regionally accredited college or university will receive credit toward an associate degree or certificate. In addition, exemption from relevant placement tests will be granted. The total number of allowable credits toward an associate degree is 45 or half the credits required for a certificate. Only credits that apply to the chosen program may count toward graduation. Students can earn up to 30 of these transfer hours through transfer of nontraditional credit. Such credits must be evaluated and approved for transfer credit by the appropriate associate dean of Academic Affairs and the Office of Admissions.

Award of Credit for Prior Learning

Transfer credit is reviewed by the appropriate associate dean of Academic Affairs and the Office of Admissions to determine the institution where the course was taken, the completion date, catalog course description including the course number, title and grade.

Students with a cumulative grade point average from a previous institution that is less than a 2.0 on a 4.0 point scale will be reviewed by BCCC. Any course with a grade of C or better will be accepted. Exception: BCCC will accept credits in which a grade of D is earned for general education courses from a student with a minimum cumulative grade point average of 2.0 on a 4.0 point scale from a regionally accredited Maryland public institution.

BCCC will convert transferable courses taken at institutions that operate on a quarter system to semester credit hours. Quarter hours are multiplied by 2/3 to equal semester credit hours. Transfer credit cannot be awarded for a course if credit has already been earned at BCCC.

In some cases, BCCC will need to review the official course description or course syllabus to determine equivalency. Upon request, the student must submit the required information.

Transfer Criteria

Credit may transfer if one of the following is met:

1. The institution is regionally accredited by the commission on higher education. BCCC recognizes the following regional accreditations:
   - Middle States Commission on Higher Education
   - North Central Association of Colleges and Schools
   - New England Association of Schools and Colleges
   - Southern Association of Colleges and Schools
   - Western Association of Schools and Colleges

   **Note:** Credit may be accepted from institutions that are candidates for regional accreditation or for courses taken while an institution was not regionally accredited on a course by course basis.

2. In addition to traditional articulation agreements with other institutions of higher education, BCCC can establish articulation agreements with high schools, business and industry. Articulation agreements specify award of credit for meeting certain criteria and presenting certain documents.

3. Military Training: The American Council on Education (ACE) must evaluate military training and experience before college credits are awarded.

4. The institution is legally authorized to grant standard college degrees and accredited by an accrediting agency recognized by the U.S. Department of Education. The College may award transfer credit based upon course equivalencies, expected learning outcomes and applicability to BCCC curricula, standards and course offerings. BCCC transfer credit policy complies with COMAR 13B.02.02.16.
5. Foreign institutions: Transcripts must be evaluated by a professional transcript evaluation service before transfer credit will be reviewed. BCCC requires the course-by-course evaluation from this service to review transfer credit. BCCC accepts only the following transcript evaluation services:

- World Education Services (WES)
- American Association of Collegiate Registrars and Admissions Officers (AACRAO)
- Educational Credential Evaluators (ECE)

Prior Learning/Work Experience Assessment

College credit through evaluation of noncredit prior learning or work experience is evaluated by the relevant department. Reverse Transfer Students registered at a four-year college or university can take applicable coursework and transfer that work back to the College in accordance with BCCC’s transfer policy.

Apply Credits Toward Graduation

Only transfer credits that apply to the chosen program may be used toward graduation. Student must meet with an academic advisor to discuss options and track their academic progress. Official transcripts from other institutions must be current and received by BCCC within one year of the issue date to be considered for transfer credit.

WITHDRAWAL AND REFUND POLICIES

Students dropping or withdrawing from a credit course may be eligible for a tuition refund. Refund information appears on students’ bills. The amount of refund is determined by the date on which the Add/Drop/Withdrawal form is received in the Registrar’s Office, according to the following schedule for 16-week Fall and Spring regular semesters:

- First week of the semester.................................100% refund
- Second week: ..................................................50% refund
- Third week ..........................................................25% refund

No refunds are made after the third week of the semester.

The refund schedule for sessions shorter than the regular 16-week semester is as follows:

- Second day ..........................................................100% refund
- Third day ............................................................50% refund
- Fourth day ....................................................25% refund

No refunds are made after the fourth day.

The complete refund policy is available in the Student Accounting Office.

Note: Students who are subject to the federal formula (pro-rata) refund calculation will have different withdrawal percentages. Details are available in the Financial Aid Office.

ADD/DROP/WITHDRAWAL PROCEDURE

Students dropping or withdrawing from courses must complete and file an ADD/DROP/Withdrawal Form. Failure to file will result in F grades and a bill for the courses. Stopping payment on a check, failure to pay the semester bill, or failure to attend classes does not constitute withdrawal.

ADD/DROP can be done during regular registration period office hours with a 100% tuition refund any time before classes begin. All fees are non-refundable, effective the first day of classes.

Pick up ADD/DROP/Withdrawal forms in the Student Success Center, Liberty Main Building 20. Return completed ADD/DROP/Withdrawal forms to the Registrar’s Office, Liberty Main Building 08.
Baltimore City Community College is regionally accredited by the Middle States Commission on Higher Education, 3624 Market Street, Philadelphia, PA 19104 (267-284-5000). The Middle States Commission on Higher Education is an institutional accrediting agency recognized by the U.S. Secretary of Education and the Council for Higher Education Accreditation.

BCCC is nationally accredited by the Association of Collegiate Business Schools and Programs (ACBSP) for the offering of the following degree programs: Accounting, Business Administration Transfer, Computer Information Systems, Office Administration.

The Dental Hygiene Program is accredited by the American Dental Association Commission on Dental Accreditation.

The Health Information Technology Program is accredited by the American Health Information Management Association (AHIMA) within the Commission on Accreditation of Allied Health Education Programs. (CAAHEP).

The Nursing Program is on the list of approved schools of nursing published by the Board of Nursing. Full accreditation by the National League for Nursing is maintained.

The Physical Therapist Assistant Program is approved by The Commission on Accreditation in Physical Therapy Education/ American Physical Therapy Association (CAPTE/APTA).

The Respiratory Care Program has achieved Provisional Accreditation status as defined for new programs by the accreditation procedures of the Committee on Accreditation for Respiratory Care (CoARC).

The Surgical Technology Program is approved by the Accreditation Review Committee on Education in Surgical Technology (ARC-ST) and accredited by the Commission on Accreditation of Allied Health Programs (CAAHEP), The American College of Surgeons, and The Association of Surgical Technologists.

The National Association of Radio and Telecommunication Engineers (NARTE) recognizes BCCC as an “Electronics and Telecommunications Technology Institution.” Graduates of associate’s degree programs in Electronics Technology and in Telecommunications Technology are eligible-without-testing for Technician Class III Certification.

**FERPA NOTIFICATION**

The Family Educational Rights and Privacy Act (FERPA) affords students in “attendance” at Baltimore City Community College certain rights with respect to their education records. These rights include:

1. The right to inspect and review the student’s education records within 45 days of the day the College receives a request for access.
   - A student should submit to the registrar, a written request that identifies the record(s) the student wishes to inspect. The registrar will make arrangements for access and notify the student of the time and place where the records may be inspected.

2. The right to request the amendment of the student’s education records that the student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.
   - A student who wishes to ask the College to amend a record should write to the registrar, clearly identify the part of the record the student wants changed, and specify why it should be changed.
   - If the College decides not to amend the record as requested, the College will notify the student in writing of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
The right to provide written consent before the College discloses personally identifiable information from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

- The College may disclose education records **without** a student’s prior written consent under several FERPA exceptions including:
  - disclosure to school officials with legitimate educational interests
    - A **school official** is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted as its agent to provide a service instead of using College employees or officials (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.
    - A school official has a **legitimate educational interest** if the official needs to review an education record in order to fulfill his or her professional responsibilities for the College.
  - the student’s application for financial aid
  - submitting proof of dependency
  - response to a judicial order or subpoena
  - a bona fide health or safety emergency
  - information requested by other schools in which the student seeks or intends to enroll
  - As of January, 2012, The U.S. Dept. of Education’s FERPA regulations expand the circumstances under which your education records and personally identifiable information (PII) contained in such records—including your SSN, grades, or other private information – may be accessed without your consent.
    - First, the U.S. Comptroller General, The U.S. Attorney General, the U.S. Secretary of Education, or state and local education authorities (“Federal and State Authorities”) may allow access to your records and PII without your consent to any third party designated by a Federal or State Authority to evaluate a federal or state-supported education program. The evaluation may relate to any program that is “principally engaged in the provision of education,” such as early childhood education and job training, as well as any program that is administered by an education agency or institution.
    - Second, Federal and State Authorities may allow access to your education records and PII without your consent to researchers performing certain types of studies, in certain cases even when we object or do not request such research. Federal and State Authorities must obtain certain use-restriction and data security promises from the entities that are authorized to receive your PII, but the Authorities need not maintain direct control over such entities.
    - In addition, in connection with Statewide Longitudinal Data Systems, State Authorities may collect, compile, permanently retain, and share without your consent PII from your education records, and they may track your participation in education and other programs by linking such PII to other personal information about you that they obtain from other Federal or State data sources, including workforce development, unemployment insurance, child welfare, juvenile justice, military service, and migrant student records systems.
  - The Family Educational Rights and Privacy Act (FERPA) of 1974, as amended, designates certain information related to a student as **“Directory Information.”** FERPA gives the College the right to disclose such information to anyone inquiring without having to ask a student for permission, unless the student specifically requests in writing that all such information not be made public without written consent, except by the National Student Clearinghouse to loan guarantors.
Baltimore City Community College has designated the following as “Student Directory Information:”

THE STUDENT CODE OF CONDUCT

ARTICLE I

All students attending BCCC are expected to conduct themselves in a civil manner. Civility at BCCC is defined as behavior that demonstrates respect for the rights, needs, and feelings of others. At the discretion of the President, the Vice President for Student Affairs or the Vice President’s Designee, disciplinary action at the College may proceed while other proceedings are still in process. ARTICLE V
5. ACADEMIC INTEGRITY POLICY

5.1 College Standards of Academic Integrity
5.1.1 All students are expected to engage in academic pursuits in a manner that is above reproach and to maintain complete honesty and integrity both in and out of the classroom, including online courses. Academic dishonesty is defined as the giving, taking or presenting of information or material by a student or students with the intent of unethically or fraudulently benefiting oneself or other students on any work which is to be considered in the determination of a grade or the completion of academic coursework requirements. In addition, aiding another individual in cheating and plagiarizing is also considered to be a violation of the academic integrity policy.

5.1.2 It is expected that all members of the College will work to actively deter academic misconduct and share in the responsibility and authority to challenge and make known to the appropriate authority acts of apparent academic dishonesty.

5.1.3 The College’s Academic Integrity Policy will be published in the College catalog, student handbook, College website, Blackboard (or equivalent means of electronic communication) and clearly stated on all class syllabi. Each faculty member will clarify the meaning and intent of the Academic Integrity Policy, including plagiarism, during the first class meeting.

5.1.4 Each course syllabus should include the College’s definition and expectation of academic integrity.

5.2 Academic Misconduct - The following behaviors and/or actions constitute academic misconduct and are subject to sanctions under the Code:
5.2.1 Cheating on an examination;
5.2.2 Plagiarism - presenting the words or ideas of others without giving proper citation to the author;
5.2.3 Collaborating with others in work to be presented, contrary to the rules outlined by the course;
5.2.4 Submitting a paper or assignment as one’s own work when part or all of the paper or assignment contains the ideas and/or research of others without appropriately identifying the source of the ideas and/or research;

5.2.5 Stealing examinations or course materials;

5.2.6 Submitting work previously presented in another course, if contrary to the rules of the course;

5.2.7 Tampering with the laboratory experiments or computer programs of another student;

5.2.8 Knowingly and intentionally assisting another student in any of the above, including assistance in an arrangement whereby any work, classroom performance, examination or other activity is submitted or performed by a person other than the student under whose name the work is submitted or performed;

5.2.9 Removing materials from the library without proper authority;

5.2.10 Duplicating course materials expressly forbidden in writing by any faculty member;

5.2.11 Using tape recorders or other recording devices in a classroom when not specifically authorized or allowed to do so by the faculty member;

5.2.12 Ignoring or willfully violating class or laboratory instructions or policies.

5.3 Reporting Alleged Academic Misconduct

5.3.1 Reporting by a Faculty Member. A faculty member who suspects a student of academic dishonesty must inform the student in writing within three (3) working days after the discovery of the alleged violation. This communication can be in the form of a documented email. The faculty member shall meet with the student to discuss the incident and provide evidence of his/her allegations. If the student admits to the violation, then the faculty member completes and forwards an Incident Report Form to his/her Department Chairperson or Director/Coordinator, and to the Coordinator of Judicial Affairs (CJA) for mediation or referral to the IMAC.

Note: No sanctions will be imposed for plagiarism unless the student has been informed in writing on the course syllabus about what is acceptable and what is not acceptable in the use of outside material.

5.3.2 Should the alleged act of academic misconduct not be resolved, the faculty member will send the Incident Report Form with the notation that the student is challenging the alleged incident to the Vice President for Student Affairs who will assign it for immediate action to the Coordinator of Judicial Affairs.

5.3.3 Reporting by a Student. A student who witnesses another student engaged in academic misconduct should inform his/her faculty member immediately. A student should feel free to discuss his/her concerns and observations with their instructor. Students reporting academic misconduct may be requested to testify at a hearing. If a student still has a concern after talking with his/her instructor, he/she may consult the Department Chairperson or Director/Coordinator, or the Coordinator of Judicial Affairs.

5.4 Infractions

5.4.1 Infraction-Level 1-This violation of the Code is considered academic misconduct and should be reported to the Coordinator of Judicial Affairs as a warning, who will file and record the violation. A faculty member may also provide a verbal or written reprimand to the student and provide an opportunity for a teachable moment and educational sanctioning.

Note: This level of infraction may occur due to the student’s inexperience or lack of knowledge of the principles of academic integrity and is often characterized by the absence of dishonest intent on the part of the student committing the violation.
Examples of Level 1 violations include but are not limited to:

- Failure to cite or give proper acknowledgement in a very limited section of an assignment.

Sanctions for a Level 1 violation ordinarily include one or more of the following, although this list is not all inclusive:

- Required participation in a non-credit workshop or seminar on plagiarism, ethics or academic integrity.
- An assigned paper, research project or certification of a passing grade on an online quiz related to ethics or academic integrity.
- A make-up assignment that is more difficult than the original assignment.
- A disciplinary warning letter.

5.4.2 Infraction-Level 2 This violation represents a greater degree of academic misconduct, and may also include a repeat of a Level 1 offense. Upon written notification by an instructor that a Level 2 infraction has occurred, a grade of zero will be posted for the assignment, quiz, test or experiment in which the infraction occurred. The grade of zero will be factored into the grading process for the course. Examples of Level 2 infractions include but are not limited to:

- Blatant plagiarism
- Submitting work previously presented in another course, if contrary to the rules of the course.
- Removing materials from the library, classrooms, computer lab, etc. without proper authority.
- Using tape recorders, cell phones, iPods or other recording devices in a classroom when not authorized or allowed to do so by the instructor.
- Ignoring or willfully violating class and/or laboratory instructions and/or policies.

Sanctions for Level 2 violations may include but are limited to one or more of the following:

- A failing grade on the assignment.
- A disciplinary warning letter.
- Academic probation.

5.4.3 Infraction-Level 3 Upon written notification that an Infraction-Level 3 has occurred, the Vice President for Student Affairs or the Vice President’s Designee will meet with the student involved. The student may be informed that the disciplinary sanctions of a Level 3 infraction may include course failure, academic suspension and/or permanent academic dismissal, from BCCC, with a notation of disciplinary action on the student’s BCCC transcript.

Examples of Level 3 violations include but are not limited to:

- A repeated Level 2 violation.
- Cheating on an examination.
- Committing a violation of academic misconduct after returning from suspension for previous violations of academic misconduct.
- Excessive and blatant plagiarism.
- Collaboration with others in work to be presented, contrary to the rules of the course.
- Stealing examinations or course materials.
- Duplicating course materials expressly forbidden by the instructor.
• Tampering with laboratory experiments or computer programs of another student.
• Knowingly or intentionally assisting another student in academic misconduct, including assistance in an arrangement in which coursework, classroom performance, an examination or required academic activity is submitted or performed by a person other than the student for whom the work is submitted or performed.
• Committing a violation of academic misconduct that breaks the law or involves criminal activity (such as forging a grade form, stealing an examination from a professor or from a College office, buying a stolen examination, falsifying a College transcript, etc.).
• Having a substitute take an examination or taking an examination for someone else.

5.5 Charges and Notification
5.5.1 All Level 1, Level 2 and Level 3 infractions are reported to the Judicial Affairs Office.
5.5.2 The Coordinator of Judicial Affairs (CJA) notes the infraction in a central database created to track these infractions and sanctions.
5.5.3 The CJA searches the database to discover whether other infractions or sanctions have been recorded.
5.5.4 If other infractions or sanctions are located, the findings will be shared with the Vice President for Student Affairs.
5.5.5 The CJA will then conduct an investigation to determine if a formal hearing should take place or can be resolved through a pre-hearing conference.
5.5.6 If no hearing is necessary, the CJA notifies the student of the infraction(s) through a counseling meeting.
5.5.7 If it is determined that a hearing should take place, the CJA will facilitate the Incident Management Advisory Committee (IMAC) to convene a hearing. Recommendations from the hearing are forwarded to the Vice President for Student Affairs.
5.5.8 The Coordinator of Judicial Affairs will notify the faculty person, his/her Department Chairperson, the respective Dean and the Vice President for Student Affairs regarding findings and/or sanctioning.
5.5.9 The CJA will notify the charged student(s) by certified mail of the results of the IMAC hearing and the Committee’s findings and/or sanctions.
5.5.10 All suspensions and expulsions will be hand delivered to the Records and Registration Office by the CJA for appropriate notations.

ARTICLE VI
6. JUDICIAL PROCESS
6.1 Reporting
6.1.1 Any member of the College community may refer allegations of student misconduct that may be in violation of the Code. The allegations must be written on an Incident Report Form and delivered to the Office of Judicial Affairs. Persons making allegations are required to provide information pertinent to the case and may be called to testify in a Student Conduct Review Hearing.
6.1.2 When a student’s behavior violates the Code, the faculty or staff member may first attempt to talk to the student privately, reiterating expected behaviors and classroom policies.
6.1.3 The primary responsibility for managing the classroom environment rests with the instructor or faculty member. Students who engage in any prohibited or unlawful acts that result in disruption of a class may be directed by the faculty member to leave the class for the remainder of the class period. Longer suspensions from a class, or dismissal on disciplinary grounds, must be proceeded by a disciplinary conference or hearing. Prohibited acts may include behavior prohibited by the teacher (smoking, persistently speaking without being called upon, refusing to be seated, disrupting the class by leaving and entering the room without authorization, etc.). The lawful expression of a disagreement with the teacher is not in itself disruptive behavior. In cases where the faculty member or instructor determines that it is appropriate to direct the student to leave the class (or area of disruption), the CJA should be contacted, given the details of the precipitating incident and provided the conditions under which the student will be allowed to return to the classroom.

6.1.4 If additional action is deemed necessary, the faculty member or instructor should notify the department chair or director/Coordinator, Dean or Vice President for Student Affairs immediately. If the faculty or staff needs assistance with reporting an incident the CJA may be contacted.

6.1.5 In case of emergency (unlawful behavior or if the disruption is deemed to constitute a threat to anyone) the faculty member or instructor must contact the Public Safety Office to escort the student from the class or area of disruption. An ombudsman, whose name and location can be found on the College’s website, must also be notified by the faculty member or instructor.

6.2 Incident Report Form

6.2.1 Based on the discussion with the disruptive student by the ombudsman, a BCCC faculty member, instructor, staff member or student may decide to file an Incident Report Form.

6.2.2 A faculty member, instructor, staff member or student may submit a College Incident Report Form. The Form is located on the intranet, Blackboard and in the Office of Judicial Affairs.

6.2.3 A faculty member, instructor, staff member or student may also request a College Incident Report Form from the CJA.

6.3 Due Process

A charged student accused of violation of the Code is entitled to the following procedural protections:

6.3.1 To be entitled to a hearing before the Incident Management Advisory Committee (IMAC) if he/she is subject to suspension or expulsion from the College in accordance with policies set forth in the Code.

6.3.2 To be informed by the Vice President for Student Affairs or the Vice President’s Designee of the charges against him/her in writing and the identity of the complainant.

6.3.3 To be allowed to request an informal resolution, or mediation, to resolve the case.

6.3.4 To be allowed at least three business days after receipt of written charges to prepare for a mediation conference or pre-hearing conference and five business days after receipt of written charges to prepare for a hearing.

6.3.5 To hear and respond to any and all evidence upon which a charge is based, including:

6.3.5.1 To call relevant witnesses.

6.3.5.2 To be assured of confidentiality, in accordance with the terms of the Family Educational Rights and Privacy Act of 1974 (FERPA).
6.3.5.3 To be allowed to request that any person conducting a disciplinary conference, or serving as a hearing board member or hearing officer, be disqualified on the grounds of personal bias as determined by the Vice President for Student Affairs.

6.3.5.4 To be presumed in compliance with the Code until the charges against him/her are proven by the evidence presented and a decision is made by the mediator or the IMAC.

6.3.5.5 To be provided a fair evaluation of College rules and regulations.

6.3.5.6 To have an initial review hearing for academic misconduct which must include the faculty member or instructor who alleges the violation and the Department Chairperson. The student may bring one consultant/advocate to the hearing. The Academic Dean may also be present as a resource.

6.4 Investigation

6.4.1 After a complaint or Incident Report Form is received by the Office of Judicial Affairs against a student, the Coordinator of Judicial Affairs (CJA) or Vice President’s Designee will initiate an investigation of the charges within three business days of receipt. After completing the preliminary investigation, the CJA or the Vice President’s Designee will issue a written report to the Vice President for Student Affairs who may either dismiss the complaint as unfounded or initiate a Student Conduct Review Hearing. If it is determined that the alleged violation of the Code might result in the student’s dismissal or suspension, the charged student shall automatically be given the right to a formal hearing before the IMAC. All other cases may be resolved with a mediation conference.

6.4.2 Mediation is encouraged as an alternative means to resolve disciplinary cases. The Vice President for Student Affairs or Vice President’s Designee shall inform the complainant and the charged student about the availability of this resource. The Vice President for Student Affairs or Vice President’s Designee may decline to process a complaint until the parties make a reasonable attempt to achieve a mediated settlement. To be binding in a disciplinary case, the student must sign a due process waiver which is kept in the Office of Judicial Affairs. Any and all mediated settlements must receive the final approval of the Vice President for Student Affairs.

6.5 Hearing

6.5.1 A Student Conduct Review Hearing will be scheduled to obtain information and provide the student with the option to select mediation as an option to resolve the alleged violation of the Code. This conference is an informal, non-adversarial meeting between the charged student and the CJA, the Vice President’s Designee or ombudsman. The charging party is not required to attend. Documentary evidence, both verbal and written, may be used as long as the charged student is allowed to respond to it.

6.5.2 When the charged student does not dispute the facts upon which the charges are based, pleads “responsible” to the alleged violations and executes a written waiver of the hearing procedures, the CJA, Vice President’s Designee or ombudsman will forward a recommendation for action to the Vice President for Student Affairs. The charged student will be informed in writing of the decision by certified mail within five business days by the Vice President for Student Affairs. In this case, when the charged student accepts responsibility for violating the Code, only the sanction may be appealed.

6.5.3 If a charged student contests the allegations in a Student Conduct Review Hearing, a formal Student Conduct Hearing will be conducted to investigate the allegations.
6.5.4 A charged student’s failure to appear at a Student Conduct Review Hearing may preclude the early resolution of an alleged violation of the Code and may require that a full hearing be held by IMAC.

6.5.5 When a charged student is given a Student Conduct Hearing, he/she must appear before the Incident Management Advisory Committee (IMAC). The IMAC will be chaired by the CJA or Vice President’s Designee. The IMAC will be composed of two full-time faculty members**, one full-time staff member, and two student representatives. Representatives from Public Safety, Student Life, Student Development and/or Disability Support Services may serve as resources to the IMAC, as appropriate. The chair has all rights and responsibilities of the IMAC participation but will not have a vote unless there is a tie.

**For adjudication of non-credit Business and Continuing Education Division (BCED) hearings, additional administrators may be substituted for academic faculty, where applicable.

6.6 Formal Hearing Procedures

6.6.1 If any allegation of misconduct is directed to a student and it is reasonably certain that a violation of the Student Code of Conduct has occurred, the Vice President for Student Affairs, Vice President’s Designee or CJA will write a letter outlining the alleged violation to the charged student and schedule a Student Conduct Review Hearing.

6.6.2 All charges and dispositions will be issued to the charged student in written form. All charges and disposition notices will be either (a) hand delivered to the charged student or (b) mailed by certified, return receipt first class mail to the student’s address on file in the Office of Records and Registration.

6.6.3 Both the charged student and the complainant will be provided an opportunity to present relevant evidence and witnesses on their behalf. The Chair of IMAC will determine relevancy and admissibility of evidence and witnesses. Both parties will have the opportunity to hear and have relevant questions asked of witnesses. All participants and witnesses will be advised that Student Conduct Hearings are confidential. IMAC may receive evidence and testimony by receiving written statements that are signed in the presence of a College official and receiving the witness signature of that College official. The charged student and the complainant will have the right to read and submit a rebuttal to any evidence. IMAC may reject this procedure in any case where presenting such evidence is believed to be unfair to the charged student or to the complainant. To expedite the hearing process, the charged student and the complainant may, at their discretion, provide written statements to IMAC prior to the Student Conduct Hearing.

6.6.4 IMAC will hear evidence and testimony relevant to the charged students’ alleged violation of the Code and then deliberate in closed session. The Chair is responsible for conducting the hearing. He/she shall be responsible for: reading the charges; explaining to the student the manner and sequence in which the hearing will be conducted; maintaining proper decorum and order and dismissing any person who impedes or threatens to impede a fair and orderly hearing; ensuring that questions asked, evidence and testimony offered are relevant to the case; ensuring that the charged student has the opportunity to examine the evidence, and to hear and question all witnesses appearing and testifying against him/her; ensuring that the charged student has the opportunity to testify, to present evidence, and witnesses in his/her defense; ensuring that all available relevant evidence is presented and that the IMAC ’s conclusions are based solely upon the evidence. The Chair will draft the letter to inform the Vice President for Student Affairs of the hearing outcome.
6.6.5 A single official recording will be made of the Incident Management Advisory Committee (IMAC) hearing. No other persons at the hearing will be permitted to make recordings of the IMAC’s proceedings. If a recording malfunction occurs, the IMAC shall include a summary of the testimony sufficiently detailed to permit review on appeal. The recording shall be maintained by the Office of Judicial Affairs. In the event of a charged student’s appeal of the IMAC’s decision, the recording will be made available for review, upon request. The recording is the property of Baltimore City Community College.

6.6.6 The IMAC must vote in the majority to implement the sanction of suspension or dismissal. The charged student and the complaining party and any victim will be informed of the outcomes of any Student Conduct Hearing.

6.6.7 One consultant/advocate is permitted to accompany each charged student, complaining party and/or victim throughout the Student Conduct Hearing. The consultant/advocate may not be a witness in the Hearing and may only serve as a limited advisor to his/her advisee. The consultant/advocate may not address the IMAC or question hearing participants. The consultant/advocate must assist their advisee only in a manner that does not disrupt the hearing. Violations of these limitations may result in the removal of the advisor from the hearing at the discretion of the Chair of the IMAC.

6.6.8 If the charged student or complainant does not appear and does not provide a satisfactory explanation for his/her absence; or if the charged student or complainant leaves the Hearing before its conclusion or adjournment, the hearing may proceed without the charged student or complainant and the IMAC may render a decision based upon the available evidence.

6.6.9 All hearings are closed sessions and only the IMAC, the charged student, the complainant, a single consultant/advocate for each charged student and complainant, witnesses for the charged student and the complainant and College staff designated as resources will be allowed to be present.

6.6.10 The Vice President for Student Affairs shall review the IMAC’s decision, and may (1) adopt both the proposed decision and recommendations; (2) reverse the decision if it is not supported by the factual evidence; or (3) change, reduce or increase the proposed sanction if she/he finds it not appropriate. The VPSA shall issue his/her decision in writing within five (5) business days of receipt of the IMAC’s proposed findings.

6.6.11 Either the charged student or complainant may challenge the impartiality of any member of the IMAC. After investigation of the matter, the Chair of the IMAC will determine whether the member should be disqualified from the case.

6.6.12 If a charged student has been charged with multiple offenses arising out of a single occurrence or a series of related offenses, a single hearing may be held for the charged student. When more than one student is charged with misconduct arising out of a single occurrence or out of connected multiple occurrences, or the same operative facts, a single hearing may be held for all the charged students.

6.6.13 The Chair of the IMAC’s role is strictly advisory. The Chair will have all privileges of the IMAC members, but shall not vote unless he/she must vote to break a tie.

6.7 SANCTIONS
The following sanctions may be imposed upon a charged student found to have violated the Student Code of Conduct (the Code):

6.7.1 Range of Sanctions:

6.7.1.1 Verbal Reprimand/Informal Warning
This sanction is the least severe form of disciplinary action. It serves to warn the charged student that corrective action must be taken, and that future violations will be dealt with more severely. No record of this sanction is placed in the charged student’s file.
6.7.1.2 **Formal Warning/Disciplinary Reprimand**

This sanction indicates that the “good standing” status of the charged student is in jeopardy and further violations may result in disciplinary probation, suspension or expulsion.

6.7.1.3 **Disciplinary Probation**

This sanction places the charged student on a probationary status during which further violations of the Code may result in suspension or expulsion.

6.7.1.4 **Disciplinary Suspension**

This sanction terminates a charged student’s status as an enrolled student at BCCC for either a specific or indefinite period of time. The sanction may take effect immediately or on some future date to be specified in writing by the Vice President for Student Affairs. A suspended student is restricted from College premises and may not be present on the premises without specific written authorization from the Vice President for Student Affairs or Vice President’s Designee. Any violation of this restriction shall subject the student to arrest for trespassing. This sanction is noted on the student’s transcript as “Disciplinary Suspension” (DS) via formal written notice to the Registrar from the Vice President for Student Affairs. The charged student may file a written request to the Office of the Vice President for Student Affairs to have this notation expunged after the period of suspension has ended. Otherwise, the notation will remain on the charged student’s transcript unless the disciplinary file is expunged. A charged student under this sanction may reapply and/or register after the period of suspension has ended.

6.7.1.5 **Disciplinary Expulsion**

This sanction permanently terminates a charged student’s status as an enrolled student at BCCC and the student will not be permitted to register at BCCC. An expelled student is restricted from all College sites and may not be on the College campus without specific written authorization from the Vice President for Student Affairs or Vice President’s Designee. Any violation of this restriction shall subject the student to arrest for trespassing. This sanction is noted on the student’s transcript as “Disciplinary Expulsion” (DE) via formal written notice to the Registrar from the Vice President for Student Affairs and will remain on the transcript unless the disciplinary file is expunged.

6.7.2 **Special Conditions**

The following sanctions, requirements and/or conditions may be imposed, along with a disciplinary sanction, for any charged student found to have violated the Student Code of Conduct. The conditions include, but are not limited to the following requirements:

6.7.2.1 Financial restitution for any loss sustained or incurred by the College and/or member(s) of the College community.

6.7.2.2 Community service or restitution.

6.7.2.3 Required participation in an alcohol and/or drug education program.

6.7.2.4 Required counseling sessions.

6.7.2.5 Completion of educational projects.

6.7.2.6 Suspension of College computer account.

6.7.2.7 Restriction from specific College buildings, areas, or facilities.

6.7.2.8 Restriction or denial of College parking permit.
6.7.2.9  No contact with designated persons.
6.7.2.10  Revocation or denial of BCCC degree/diploma.
6.7.2.11  Registration block.
6.7.2.12  Financial penalty or fine.
6.7.2.13  Loss of College privileges; including social, athletic, co-curricular, and/or facility use privileges.

6.8  **Failure to complete a mandated sanction within the allotted time may result in administrative actions including but not limited to blocking a charged student’s ability to register for classes.**

6.9  **Interim Suspension or Restrictions**

6.9.1  A student may be suspended or restricted from College property for an interim period pending a Pre-Hearing Conference, Student Conduct Hearing before the IMAC or a psychological or medical evaluation. The Vice President for Student Affairs is the only person able to initiate this action. The interim suspension or restriction is effective without prior notice, when there is evidence that the continued presence of the student on College property, or in a specific campus facility poses a substantial threat to himself/herself, to others, or to the stability and continuance of normal College functions.

6.9.2  A student may request a review of the interim action. This request must be in writing to the Vice President for Student Affairs. A response to the request will be made typically within five (5) business days from the date of the receipt of the request.

6.9.3  An interim suspension or a restriction from College property shall be followed, typically within ten (10) business days, by an opportunity to have a Student Conduct Review Hearing as described in this Code.

6.10  **APPEALS PROCESS**

6.10.1  If the charged student is dissatisfied with the outcome of the Vice President of Student Affairs’ decision, he/she may request a final appeal to the President of the College. Such an appeal must be submitted in writing to the President, with a copy to the Vice President for Student Affairs, typically within five (5) business days after receipt of the written notice of the decision. The appeal statement shall set forth the grounds for appeal and be accompanied by a written statement and/or new evidence that was not previously available to the charged student. The Chair of the IMAC will submit a written statement in support of the VPSA’s decision and must be submitted within three (3) business days of receipt of the charged student’s appeal. The President’s review will be limited to a review of the record of the hearing, the written statements submitted by the charged student and the Chair of the IMAC and any new evidence that was not reasonably available and/or previously presented.

6.10.2  Grounds for an appeal are limited to claims that:

7.1 INTERPRETATION AND REVIEW

7.1.1 Any questions of interpretation regarding the Code should be directed to the Vice President for Student Affairs or the Coordinator of Judicial Affairs (CJA).

7.1.2 The Code will be reviewed periodically under the direction of the Vice President for Student Affairs.

ARTICLE VIII
8.1 ACADEMIC GRIEVANCES

A student who has sufficient evidence that his/her grades have not been determined in accordance with the terms set out in the instructor’s syllabus/course outline/course policy, may seek resolution through the grievance process. In filing an academic grievance, a student must take the following steps:

8.1.1 Attempt to resolve the matter with the instructor in a face-to-face meeting.

8.1.2 If the student is dissatisfied with the decision rendered by the instructor, he or she will obtain a Student Grade Grievance Form (Form A) from the respective department’s administrative assistant, complete, and submit to the instructor. This form should spell out the exact nature of the complaint and the remedy sought. The instructor will be asked to provide the rationale for the grade recorded for the student and provide sign off on Form A.

8.1.3 Cases filed after faculty contracts end in May, are processed as soon as the instructor can be contacted and scheduled for a hearing, which usually occurs during the next full (fall/spring) semester. A grade grievance must be filed no later than 30 days after the end of the semester in which the class was taken. The entire grade grievance process must be completed typically within one year of the original filing. Students will be required to submit the following information to complete their grade grievance file:

1. Course Syllabus/Course outline/Course policy
2. All work in question
3. A written explanation as to the nature of the grade grievance

8.1.4 The Chair of the Grievance Committee will review both the student’s documentation and the explanation of the instructor. If there is sufficient evidence to warrant a grievance, the paperwork will be forwarded to the Department Associate Dean, typically within five (5) business days. The Department Associate Dean will attempt to mediate a resolution between the instructor and the student. If a resolution is reached that warrants a grade change, the instructor will submit a grade change form to the Office of Records and Registration within five (5) business days after the decision to change the grade has been made.
8.1.5 If no resolution is reached from the meeting with the Department Associate Dean, the student may request the matter be taken to the appropriate Academic Dean, typically within five (5) business days. The Academic Dean will attempt to mediate a resolution between the instructor and the student. If a resolution is reached that warrants a grade change, the instructor will submit a grade change form to the Office of Records and Registration within five (5) business days after the decision to change the grade has been made.

8.1.6 If no resolution is accomplished with the Academic Dean, the Student Grade Grievance Form (Form A) will be forwarded to the Grade Grievance Committee for further processing. At this point, the Chair of the Grade Grievance Committee will assist the student with submitting a Student Grade Grievance Form (Form B), requesting a review by the GGRC. The GGRC will be made up of the Chair of the GGRC, two (2) faculty and two (2) students. The Senate Executive Committee President will select the two (2) faculty members. The President of the Student Government Association will recommend the two (2) students.

8.1.7 If the GGRC accepts the grievance, the student will appear for a hearing before the IMAC which will conduct a grade grievance hearing (see Article 6.5.5). The IMAC must make a recommendation to the Vice President for Student Affairs. The Vice President for Academic Affairs will make the final disposition of the grievance.

8.1.8 If a student’s grievance is rejected by the Grade Grievance Review Committee, the student will receive written justification for the decision from the Committee chair within five (5) business days. The decision rendered by the Committee represents the final disposition of this process.

8.1.9 The Vice President for Academic Affairs will be the College official designated to resolve and decide student grievances concerning academic and curricular issues.

9. SEXUAL HARASSMENT

Purpose Statement
The College places its community on notice that any sexual misconduct within the college workplace and within educational programs will not be condoned and will not be allowed to interfere with the mission of Baltimore City Community College. These procedures address the complaint and investigation process, disciplinary actions, hearings and appeals and educate the College community on the College’s policy prohibiting sexual harassment.

State/Federal Regulatory Requirements (cite if applicable)
• Title VII of the Civil Rights Act of 1964 as amended
• Title 20 State Government Article, Annotated Code of Maryland
• Title 5, Subtitle 2, Annotated Code of Maryland State Personnel and Pensions Article
• Title IX of the Education Amendments of 1972
• Executive Order-01.01.2007.16 Maryland Code of Fair Employment Practices
• EEOC Policy Guidance on Sexual Harassment, Number N-915-050

9.1 Procedural Language
Baltimore City Community College adheres to the sexual harassment definitions promulgated by the Equal Employment Opportunity Commission (EEOC) and then Office of Civil Rights of the United States Department of Education (OCR).

Sexual Harassment
Sexual harassment is unwelcome sexual advances, requests for sexual favors, and other verbal, non-verbal or physical conduct of a sexual nature. Sexual harassment may be verbal (sexual innuendo, threats, jokes, sexual propositions, or suggestive comments, etc.; non-verbal (making suggestive or insulting noises, leering, whistling or making obscene gestures, or displaying sexually explicit or offensive pictures or other illustrations, etc.) or physical (touching, pinching, brushing the body, assaulting, or any other contact of a sexual nature).
Unwelcome sexual advances, unwelcome requests for sexual favors, and other behavior of a sexual nature constitute sexual harassment when:

9.1.1 Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment by BCCC or an individual’s participation in a BCCC program;

9.1.2 Submission to or rejections of such conduct by an individual are used as the basis for academic or employment decisions affecting the individual;

9.1.3 Such conduct by an employee, student, or third party is sufficiently severe, persistent or pervasive to limit an individual’s ability to participate in or benefit from an educational program or activity;

9.1.4 A hostile or abusive educational environment; or has the purpose or effect of unreasonably interfering with an individual’s work performance, or of creating an intimidating, hostile, or offensive work environment at BCCC.

Tangible psychological injury is not a necessary element of a hostile work/academic environment; rather, an environment that is perceived by the victim as hostile or abusive, and that a reasonable person would find hostile or abuse is sufficient to meet the standard. The victim, as well as the accused, may be a female or a male. The harassment does not have to be of the opposite sex.

A. Types of Sexual Harassment

1. Quid Pro Quo
   - Unwelcome sexual advances, requests for sexual favors, and other unwelcome verbal, non-verbal or physical conduct of a sexual nature constitute “quid pro quo” sexual harassment when:
     a. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment; or
     b. Submission to or rejection of such conduct by an individual is used as the basis for an employment decision that affects an individual.

2. Hostile Work/Academic Environment
   - Sexual advances, requests for sexual favors, and other verbal, non-verbal or physical conduct of a sexual nature constitutes “hostile environment” sexual harassment when the conduct:
     a. was unwelcome;
     b. was based on the victim’s gender;
     c. was sufficiently severe or pervasive to alter the conditions of the victim’s employment and create a work environment that is reasonably perceived as hostile or abusive and that the victim perceives as hostile or abusive; and
     d. is imputable to the College.

9.2 Reporting Violations

For the purposes of these procedures, the Complainant is the person filing a Complaint. The Respondent is the person who is alleged to have violated this Policy.

9.2.1 Any employee who believes that he or she has been the victim of sexual harassment or retaliation should report the alleged incident immediately to Executive Director of Human Resources. Students should report these matters to the Office of Student Judicial Affairs,

9.2.2 Any BCCC employee who receives a report of sexual harassment or becomes aware of conduct in violation of the Policy has an affirmative duty to report immediately to the Executive Director of Human Resources or in cases where it involves a student, the Office of Student Judicial Affairs.

9.2.3 Upon receipt of a complaint the Executive Director of Human Resource, or in the case of students, the Vice President of Student Affairs will consult with the College’s attorney and Public Safety to establish the investigation as harassment or as sexual assault. Public Safety will investigate sexual assault cases.
9.2.4 The Executive Director of Human Resources and/or the Office of Student Judicial Affairs (for incidents involving students) shall promptly contact and inform the Complainant of the College’s policy prohibiting sexual harassment and of the procedures available to resolve a complaint of sexual harassment. Both informal and formal procedures for resolving a complaint of sexual harassment are available for use by employees, students, and volunteers.

9.3 Investigation

9.3.1 If at the conclusion of a Public Safety investigation the allegation is insufficient to support charges of sexual assault, as defined by law, the incident will be referred to the appropriate College office (i.e. Human Resources or Student Judicial Affairs) for further investigation and action.

9.3.2 The Title IX Coordinator or Title IX Investigator(s) will investigate reports of sexual harassment by students toward students.

9.3.3 The Executive Director of Human Resources will investigate sexual harassment behavior by faculty or staff towards students. Students allegedly accused of sexual harassment towards faculty or staff, will be investigated by the Title IX Coordinator and/or Title IX investigator(s) utilizing the Student Code of Conduct.

9.4 Responsibilities

If an employee/student (victim) believes that sexual harassment has occurred, the employee/student (victim) shall take the following steps:

9.4.1 Inform the offending person that his/her conduct is unwelcome and should cease immediately. It is important for the victim to communicate that the conduct is unwelcome, particularly when the alleged harasser may have some reason to believe that the behavior may be welcome. However, a victim of harassment need not confront his/her harasser directly, so long as the victim’s conduct demonstrates that the harasser’s behavior is unwelcome.

9.4.2 If the alleged harassment does not cease, report it promptly to the Executive Director –Human Resources (which is the College’s Fair Practices Officer/EEO Officer), or your supervisor/another management representative. Students should report the alleged harassment to the Vice President of Student Affairs/Judicial Affairs Officer.

9.4.3 If an employee’s or student immediate supervisor or instructor is the alleged harasser, report the incident to the person directly in charge of the supervisor, the Executive Director of Human Resources, or other management representative. Students should report the alleged harasser to the Vice President of Student Affairs/Judicial Affairs Office.

9.5 Baltimore City Community College Responsibilities

9.5.1 When an alleged incident of sexual harassment is reported, the College has 30 days in which to thoroughly investigate the complaint through the informal process and/or the formal process.

9.5.2 Independent review or consulting may be processed though the Office of the Statewide Equal Employment Opportunity Coordinator (OSEEOC).

9.5.3 The College will inform the Complainant of his/her right to pursue an allegation of sexual harassment with the Maryland Commission on Human Relations or the U.S. Equal Employment Opportunity Commission.

9.5.4 The College will inform the Complainant that it will take every reasonable effort to handle the complaint in a manner that protects the confidentiality of all parties.

9.5.5 The College will follow-up with the complainant and any other individuals implicated in the investigation to ensure that no further incidents have occurred. The College will document follow-up efforts.

9.5.6 The College must ensure that employees who make complaints of sexual harassment or provide information related to such complaints will be protected against retaliation.
9.6 Protective Measures and Confidentiality

9.6.1 Retaliation by College Faculty members, staff, or students against a person who makes a complaint of sexual harassment, supports a complaint of sexual harassment, or testifies during an investigation of a complaint of sexual harassment is expressly prohibited. If an individual is found to have engaged in retaliation in violation of this Policy, he or she will be subject to disciplinary action. Any individual who has been a victim of sexual harassment or retaliation shall immediately report such conduct to the College’s Fair Practices Officer. As part of the investigation, the respondent will be asked to sign a declaration of non-retaliation.

9.6.2 Complainants, Respondents, witnesses, and all persons involved in making investigations, or resolving a complaint of sexual harassment, shall use their good faith efforts to keep confidential all information relating to a complaint. Failure to maintain confidentiality may result in disciplinary action and/or other serious sanctions.

9.6.3 Allegations of sexual harassment are extremely serious, with potential for great harm if ill-conceived or without foundation. It is a violation of the policy for an individual to file an untruthful or bad faith claim of sexual harassment. The college community should not be discouraged from filing legitimate complaints of sexual harassment. An individual found to have filed an untruthful or bad faith complaint is in violation of this Policy and will be subject to disciplinary action.

9.7 Disciplinary Actions

9.7.1 Disciplinary actions against BCCC faculty staff, vendors, or volunteers for sexual harassment may range from reprimand to termination, depending on the severity of the conduct and the circumstances of the particular offence.

9.7.2 Disciplinary actions against students at the college for sexual harassment may include suspension or expulsion from BCCC programs and are covered in the Student Code of Conduct.

9.7.3 All employees and students should be aware that they may be civilly or criminally liable if they engage in prohibitive conduct.

9.8 Informal Procedures for Resolving a Complaint

9.8.1 The respondent wishing to process a complaint of sexual harassment shall file his or her complaint with the Executive Director of Human Resources or the Office of Student Judicial Affairs within thirty (30) days following the alleged violation(s), or within 30 days following the date on which the complainant knew, or reasonably should have known, of the alleged incident. ARTICLE X
10. SEXUAL ASSAULT

Senate Bill 283, effective June 1, 1993, requires the governing board of each institution of higher education to adopt and submit to the Maryland Higher Education Commission a written policy on sexual assault. The policy must comply with recent amendments to the Federal Higher Education Act of 1965, which requires colleges nationwide to provide educational programs to promote awareness and sexual offenses. Senate Bill 285 also requires that each institution’s policy include provisions on:

• Informing an alleged victim of the right to press criminal charges;
• Notifying law enforcement officials and disciplinary authorities when an incident of sexual assault occurred;
• Designating which local hospitals are equipped to handle incidents of sexual assault;
• Assisting an alleged victim in obtaining appropriate medical and counseling services;

10.1 PURPOSE

It is the policy of Baltimore City Community College that sexual assault is a severe and criminal act and will not be tolerated within our College community. This policy is intended to ensure that incidents of sexual assault are given serious attention and that students, faculty, staff and alleged victims of sexual assault are made aware of and provided with appropriate assistance, educational programs, counseling, mental health services, and student services. This policy is concerned with providing immediate assistance and protection for: the physical health and safety of the alleged victim; the emotional health of the alleged victim; the safety of the Baltimore City Community College community; the alleged victim from undue embarrassment or publications; and the confidentiality of the alleged victim.

10.2 PROCEDURE

10.2.1 Incidents of sexual assault should be immediately reported to the appropriate authorities.

10.2.1.1 Students should report incidents of alleged sexual assault to the Baltimore City Police Department and the Baltimore City Community College Department of Public Safety. It is also recommended that a student file an Incident Report Form with the Office of Judicial Affairs.

10.2.1.2 Faculty and employees, in addition to reporting incidents of alleged sexual assault to the Baltimore City Police Department and Baltimore City Community College Department of Public Safety, should file a report with the Executive Director of Human Resources.

10.2.1.3 Any Baltimore City Community College staff member responding to an alleged victim of sexual assault should first determine whether the alleged victim is safe and whether medical and/or psychological interventions are needed. Contact should be also made with the Health and Wellness Center in Room 114, Harper Hall.
10.2.1.4 If medical attention is needed for the alleged victim, staff members should obtain appropriate medical attention by calling 911 and contacting the Baltimore Police Department to transport the victim to the nearest hospital equipped with the Maryland State Police Sexual Assault Evidence Collection Kit.

10.2.1.5 The alleged victim should be informed that medical treatment may include a physical exam and prophylactic antibiotics for sexually transmitted diseases. The physical exam is important for preserving evidence which may be necessary to obtain a conviction of criminal sexual assault. However, the alleged victim should be informed that having the exam does not commit the alleged victim to legal action.

ARTICLE XI-DISCRIMINATION

11. DISCRIMINATION OVERVIEW

Baltimore City Community College values and celebrates a diverse educational community. The mission of the College is one of teaching and learning, cultivating ideals, preparing future generations for service to others and the community and nurturing the holistic development of the College community. BCCC does not tolerate discrimination based on race, color, religion, sex, national origin, age, disability, marital status, sexual orientation or preference, gender identity, political ideology or status as a Vietnam-era or special disabled veteran in the administration of any of its educational policies, admission policies, scholarship and loan programs, athletics and other school-administered policies and programs or in its employment-related policies and practices.

A student who has a concern about possible discriminatory treatment experienced in connection with College programs, services, facilities or activities is encouraged to discuss those concerns with the Coordinator of Judicial Affairs or Vice President’s Designee. It is a violation of the College’s non-discrimination policy to discriminate or retaliate against any student because he/she has opposed any discriminatory practice proscribed by College policy, or because the student has filed a complaint, testified, assisted or participated in any manner in any College procedures designed to resolve an allegation of discrimination.

All College policies, practices and procedures are administered in a manner consistent with the mission and vision of Baltimore City Community College. Student-related inquiries involving the discrimination policy may be referred to the Office of Judicial Affairs. Consistent with the requirements of Title IX of the Education Amendments of 1972 and its implementing regulations, Baltimore City Community College has designated two offices to be responsible for coordinating the College’s Title IX compliance. BCCC students and/or employees with concerns or complaints about discrimination in employment or educational programs or activities may contact one of the following Title IX coordinators:

STUDENT ALLEGATIONS OF DISCRIMINATION

Contact:
Coordinator of Judicial Affairs
Main Building 09E 410-462-8505

EMPLOYEE ALLEGATIONS OF DISCRIMINATION

Contact:
Executive Director of Human Resources West Pavilion 149

Individuals may also contact the U.S. Department of Education Office of Civil Rights.

11.1 Alleged discrimination complaint by a BCCC student against the College, a member of the faculty, a staff member or the administration in connection with a college program, service or activity:

11.1.1 A BCCC student who believes that he/she has been discriminated against by the College or by a member of the faculty, staff or administration in connection with a College program, service, facility or activity should bring the concern to the attention of the Office of Judicial Affairs.

11.1.2 The CJA or designated ombudsman or the Vice President’s Designee will assist the student in assessing the complaint and determine the next course of action. Although some situations can be worked out informally, others may receive a formal review to determine the most effective course of resolution. In these instances, a student may make a formal complaint of discrimination and the complaint will be investigated by the College and a determination made. In some instances, the College may decide to conduct an investigation even if the student does not wish to make a formal complaint. If a student is not satisfied with the resolution of a complaint, the student may seek further review from the Office of the Vice President for Student Affairs.
11.2 Discrimination complaint against a student, a student group or student organization:

A BCCC student who believes he/she has been discriminated against by a student or student group or organization should bring the concern to the attention of the Office of Judicial Affairs, who may designate an ombudsman or Vice President’s Designee to assist the student in assessing the complaint and determining the next course of action. Informal and formal procedures for a student to address a concern about discrimination by students or student groups or organizations are described below:

11.2.1 Informal complaint procedure:

The informal complaint procedure seeks to achieve a resolution upon which both the Plaintiff and Charged agree.

An informal complaint may be oral or in writing, and should be brought to the attention of the Office of Judicial Affairs. Informal complaints provide the complainant an opportunity to discuss the matter with the CJA or assigned ombudsman or the Vice President’s Designee to assist the student in assessing the complaint and determining the next course of action which may include the pursuit of more formal actions.

In some cases, the complainant may ask the CJA or ombudsman or Vice President’s Designee to act as an intermediary with the charged party and determine whether an informal resolution can be reached. If a resolution is reached by this process, no additional action will be taken and the matter will be considered closed. In all cases, the Office of Judicial Affairs will keep a record of the complaint and its resolution.

11.3 Formal complaint procedure:

11.3.1 A BCCC student can make a formal complaint without first using the informal complaint procedure. The formal complaint should be in writing and an Incident Report Form delivered to the Office of Judicial Affairs. The formal complaint should include: the Charged person’s(s’) name(s); the times, dates, places and circumstances surrounding the allegation of discrimination; and the name(s) of any witness(es) to the incident(s). The CJA in the Office of Judicial Affairs may, upon request, assist a complainant in preparing a formal complaint.

11.3.2 After a review of the formal complaint, the Coordinator of Judicial Affairs (CJA) will review relevant student files or records and consult with the complainant, the Charged, any witnesses, and as appropriate, other individuals associated with the alleged incident in an attempt to resolve the matter and determine whether further investigation is warranted. The CJA may continue the investigation, if it is deemed appropriate and will document his/her rationale in writing in the complainant’s file.

11.3.3 The Coordinator of Judicial Affairs (CJA) has the authority to end a formal investigation at any time. Upon completion of the investigation, the CJA will determine if the complaint merits adjudication and will notify the complainant and the Charged in writing within five (5) business days of the findings and recommendations.

11.3.4 When discrimination is not found and the charged student’s conduct is inappropriate or violates the Code, the Coordinator of Judicial Affairs may notify the Office of the Vice President for Student Affairs for further review by the Vice President. The VPSA may determine whether the review will be conducted by the Incident Management Advisory Committee or Vice President’s Designee. The proceedings will be conducted in accordance with the Code of Conduct for Baltimore City Community College.
